MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn—East, Louisville, Kentucky, on Saturday, January 20, 1979. The meeting was called to order by President Jack Burkich at 10:00 A.M. with all Board members, Commissioner Tom Mills, Assistant Commissioners Louis Stout and Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Joseph McPherson.

Barney Thweatt moved, seconded by Denval Barriger, that the minutes of the December 23, 1978, meeting of the Board of Control be approved. The motion carried unanimously.

President Burkich introduced attorneys, Bruce P. Zalman and Todd Hollenbach to the Board. They had come before the Board to appeal the eligibility case of Christian Lanham who is ineligible to participate in athletics at Southern High School under By-Law 6, Section 1. Mr. and Mrs. Lanham and Christian also appeared before the Board. After a lengthy discussion Barney Thweatt made the motion that By-Law 6, Section 1, Transfer Rule, not be waived in this case. Zeb Blankenship seconded the motion and it passed unanimously.

Mr. Mills presented and discussed copies of proposals recommended by the Big 8 Conference. These proposals and any others received prior to March 1 will be considered by the 1979 Delegate Assembly.

Assistant Commissioner Wise gave a report on the progress of ticket sales for the boys' and girls' State Basketball Tournaments. He reported that advanced ticket sales have shown an increase over those of the same period last year.

After a lengthy discussion on the assignment of district and regional tournament officials, Pete Grigsby made the motion, seconded by Barney Thweatt, that tournament officials be assigned outside the district and region where they reside. The motion carried by a vote of 9-1.

Commissioner Mills read a letter from Ralph Gabbard of WKYT-TV stating that his television station could not accept the K.H.S.A.A. proposal to televise the semi-finals and finals of the Boys' Basketball Tournament. With this information the Board decided that the semi-finals and finals of the Boys' State Basketball Tournament would not be televised for 1979.

Zeb Blankenship moved, seconded by Denval Barriger, that Cross Country be placed into three classes, as was done in track for the 1979-80 school year, based upon the 1979 fall enrollment figures received from the State Department of Education. The motion passed unanimously.

Joseph McPherson presented a report from the Jefferson County Schools requesting that football championships be determined by using the won/lost record instead of the Dickinson System. The Dickinson System would only be used to break ties. After a discussion by the Board members President Burkich assigned the proposal to the Football Committee for study and recommendations to be considered at the March meeting of the Board of Control.

Barney Thweatt made a motion, seconded by Norman Passmore, that the following recommendations be adopted in scheduling regional games for boys and girls basketball tournaments: regional finals for boys and girls must be completed by Tuesday night following the second Saturday night in March; in the region where boys and girls regional tournaments are assigned to separate sites, the regional tournament managers shall schedule games in order that girls and boys games are not played on the same dates at the separate sites; in regions where boys and girls regional tournaments are assigned to the same site, the regional tournament manager shall be responsible for scheduling games in the best interest of all participating schools. The motion passed unanimously.

Denval Barriger moved, seconded by Zeb Blankenship, that all bills of the Association for the month of December be allowed. The motion carried unanimously.

The next meeting of the Board of Control was scheduled for Friday, March 16, 1979, 9:00 A.M. at the Hyatt Regency Hotel, Lexington, Kentucky.

There being no further business, the meeting was adjourned.

1978-79 Wrestling
Approved and Certified Officials

A large number of K.H.S.A.A. registered officials qualified for the advanced rating of Approved and Certified as a result of the National Federation Wrestling examination which was given in Kentucky on December 4, 1978. Only officials receiving these higher ratings are eligible to work in the district and regional tournaments. Only Certified officials are eligible to work in the State Tournament.

Wrestling officials who qualified for advanced rating and have attended the KHSAA Clinic for the current season are:

KAPOS NEWS
STATE TOURNAMENT INFORMATION

Cheerleader and Sponsor Registration: All cheerleading squads and/or sponsors are asked to stop by the KAPOS table in Rupp Arena to:
1. Register your squad
2. Pick up important information and materials for you and your school.

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room located in Rupp Arena. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

“Sweet Sixteen” Cheerleading Squads: Attention Principals! If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleader sponsor. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your sponsor’s name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of a KAPOS officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid up member of KAPOS in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which will also be included in the packet sent by the K.H.S. A.A. to the winners of the sixteen regions (Handbook, p. 16).

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleader squad will receive the Ted Sanford Trophy. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All Tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come up the floor should they be called for an award.

GOVERNOR CARROLL DECLARES GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don’t believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the
NOTRE DAME ACADEMY
1978 Volleyball Champions

The tournament sponsored by the Kentucky Girls' Sports Association, was played on the campus of Eastern Kentucky University, Richmond, on Saturday, October 28, 1978.

The success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Carroll. The Governor's proclamation is on display at the KAPOS table.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STATE-AT-LARGE CHAMPIONS

Recognition is now being given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive a trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor or representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the State-At-Large winners will take place at 8:30 A.M. on Thursday, March 15, and at 8:30 A.M., Friday, March 16, in the Transylvania University Gymnasium, 300 North Broadway, Lexington. The public is invited to this outstanding event. The admission charge of $1.00 per person will go toward the expenses of the KAPOS scholarship award, details of which are supplied below. We are grateful to the administrators of Transylvania for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guests will be expected to be mindful that they are guests in the "home" of Transylvania University.

At the conclusion of the judging, trophies will be awarded to the top four squads, in addition to several special awards.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Write a KAPOS officer for application forms, or pick them up at the State Tournament KAPOS table.

Universal® Centurion
with Dynamic Variable Resistance

For team use, the Universal Centurion requires less time and space for more effective circuit training. Universal’s dynamic variable resistance allows an individual to train at lifting speeds similar to his athletic activity while retaining maximum, effective resistance. Placed in 3 essential power press stations, leg press, chest press, and shoulder press, Universal’s DVR is a new high intensity conditioning feature never before available in resistive training Centurion 6 to 16 station units, from $1895.

Up to 16 stations to train more athletes better, in less time!
