ATTENTION

Change in the Constitution

Your attention is called to the following change in the 1981-82 Constitution, By-Laws, and Tournament Rules. Article IX, Amendments, Section 1, Deadline for Filing, has been changed to read “On or before December 1 of each year a member school may file with the Commissioner any proposed change in the Association’s Constitution and By-Laws.”

The previous deadline of March 1 did not provide sufficient time for the Commissioner to submit proposed changes to the member schools for their consideration prior to the meeting of the Delegate Assembly in April.

From the Commissioner’s Office

PITY THE REFEREE

I think that I shall never see
A satisfactory referee.
About whose head a halo shines
Whose merits rate reporters' lines.
One who calls them as they are
And not as I should wish by far.
A ref who leans not either way
But let's the players decide the play.
Poems are made by fools like me
But only God could referee.

SWIMMING COMMITTEE
MEETING MINUTES

The Swimming Committee met on Wednesday, September 30, 1981, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 P.M. Committee members present included: Tim Cahill, Terry Hile, Tracy Phillips, Norm Schmidt, Jack Thompson, Karen Vanover, David Webb, Jim Wilds.

The first item on the agenda was the selection of regional sites. Brigid DeVries read letters from Bowling Green High School and Elizabethtown High School requesting that their school be selected as the site of the Western Kentucky Region. After a lengthy discussion on the facilities of these two sites, Tim Cahill suggested that the Commissioner keep the sites at Bowling Green High School this year and suggested an alternating plan to select Elizabethtown High School as the regional site for the Western Kentucky Region for 1983. The manager for this region will be John Strode, Bowling Green High School. The other sites and managers are as follows: Central Kentucky Region - Tim Cahill, Model High School, Richmond; Jefferson County Region - Jack Thompson, Lakeside Swim Club, Louisville; Northern Kentucky Region - Dave Webb, Scott High School, Covington.

Jack Thompson informed the Committee that Jefferson County Schools have dropped finances for swimming but they can enter a regional meet. Also discussed were ideas for raising money to help pay the cost of running regional meets.

The Committee discussed the regional information sheet and under “Entry Deadline” they suggested an added sentence to read “Entry deadline will be strictly adhered to.” Under “Entry Cards” add “Make sure alternates for relays are listed on the cards.”

After discussing the state information sheet Brigid DeVries suggested that we also enclose with information sheet, an information sheet on motels available and a map of Eastern Kentucky University.

The Committee discussed all the new rule changes in the 1981-82 National Federation Swimming & Diving Rules book.

There being no further business the meeting adjourned.

The Gymnastics Committee met on Thursday, November 8, 1981, at the K.H.S.A.A. Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 7:00 P.M. Committee members present included: Dr. Gerald Calkin, Jim Nance, Debbie Howell, Robert Sanderson, Art Sciubba, Dr. Hal Holmes. Absent were Marilyn Lamaster and George Barber.

The first item on the agenda was the selection of girls’ regional sites. Paris High School and Kentucky Country Day will be the host schools this year. The regional managers will be Art Sciubba and Debbie Howell. The list of participating schools remained about the same as last year as far as actual participation.

The Committee discussed the regional and state information which will be sent to participating schools. It was felt that a firmer entry deadline policy should be adhered to. Regional entries will not be accepted after the entry deadline. Also girls’ coaches wanting to change the order of participation from the regional to the state meet, must notify the regional manager at the conclusion of the regional meet.

A correction of the boys scoring procedure was made on the state information and will be included in the next printing of the Constitution and By-Laws. The addition will read “team scores will be determined by calculating the top three individual scores for each of the six events plus the total score of the highest all-around gymnast divided by six.”

The other addition on the state information sheet was in reference to boys High Bar “before a team may be judged at least one coach must be present as a spotter for competition.” This rule will also be restated on the boys’ state entry form.

The Committee discussed the state meet in detail. The boys’ state manager will be Jim Nance and the girls’ manager will be Alaine Milles. The time schedule for the state meet will be one hour earlier this year. Competition will begin at 10:00 A.M.

There should be no major changes in equipment setup or warm-up procedure at the state meet.

The state gymnastic program will be increased in price from 50c to $1.00 this year.

A few editorial changes were suggested for the next printing of the Constitution and By-Laws with regards to correct order of events to include All-around as an event.

Miscellaneous items included a recommendation by Art Sciubba that the Gymnastics Committee look into having additional state qualifiers, either three teams to qualify from each girls region or five individual gymnasts not on the two qualifying teams. Statistics on the upcoming regional and state meets will be studied to see how much additional time this would take, and the effect on the quality of the State Meet.

Dr. Calkin mentioned that Eastern Kentucky University would no longer have a men and women’s gymnastics team after this year and a new state site should be looked into.

There being no further business the meeting was adjourned.

Although the questionnaire is not difficult, keep in mind that we need detailed and accurate information in order to prepare a complete personalized and written analysis of your existing program.

To be more specific, our evaluation will include the following important topics:
1. Equipment and facilities.
2. Exercises used in training routines.
3. Organizational methods.
4. Traffic flow and control; weight room supervision, for example.
5. Motivation techniques.
6. Teaching, including spotting.
7. Safety factors.
8. Budgeting and fund raising.

Our confidence in introducing this new consulting service reflects our confidence in Boyd Epley; acknowledged as a leading innovator in the field of strength training in America.
