National Federation Announces New Record Book

The National Federation of State High Schools Association has announced that the United States Marine Corps will be sponsoring the pocket version of the 1981-82 National High School Sports Record Book. The pocket version is being published for the first time. Books are available to schools that request them for free distribution to students in classes, intramural sports or other school programs.

The pocket version of the National High School Sports Record Book is a condensed version of the 300 page book of records published by the National Federation. This pocket version contains the current records and most notable achievements in high school football, basketball, baseball, track and field, and swimming. Many of the performers listed in the book, such as Herschel Walker, Billy Sims and Tracy Caulkins have since become famous because of their success in college, professional or international sports. Others are not well-known, but will be recognized as outstanding athletes because of the sometimes amazing high school records they set, such as Ken Hall’s season record of 395 points in football or Michael Carter’s 77 foot shotput. Students will be able to use this handy 32 page reference guide to measure their personal records against national records, for goal setting and for general information.

The USMC is providing this service free in recognition of the achievements of high school athletes.

Please state your name and position, school name and mailing address, number of students in grades 10-12 and number of books requested. They will be sent directly to you without charge for free distribution to your high school athletes and other students. Or, if you prefer, call toll free (800) 423-2600 for further information.
The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn-East, Louisville, Friday, January 22, 1982. The meeting was called to order by President J. D. Minnehan at 9:00 A.M. with all Board members, Commissioner Tom Mills, Assistant Commissioners Brigid DeVries, and Louis Stout, Executive Assistant Billy V. Wise present. Conley Manning was present representing the State Department of Education. The invocation was given by Alvis Johnson.

Charles Black moved, seconded by Eldon Davidson, that the minutes of the November 28, 1981, meeting of the Board be approved. The motion passed unanimously.

President Minnehan introduced Prin. Don Hines of Frankfort High School. Mr. Hines spoke to the Board on behalf of the schools in District 41, requesting that they be moved from Region 11 to Region 8. President Minnehan informed Mr. Hines that the Basketball Committee had met and considered his written proposal along with others received and would be making recommendations to the full Board during the meeting.

Prin. Arnold Marshall of Boyle County High School and Prin. Bob Anderson of Casey County High School spoke to the Board requesting that they reconsider the enforcement of By-Law 10, Undue Influence, in the case of Arthur Hanson, a student at Pulaski County High School. After a lengthy discussion Fairce Woods moved, seconded by Eldon Davidson, that Mr. Marshall and Mr. Anderson meet with the Commissioner and his Assistants at the K.H.S.A.A. Building in Lexington as soon as possible to discuss their request. The motion carried unanimously.

President Minnehan introduced Prin. August Pisa, Mr. Jim Wallace and Woody Woodall of Trigg County High School. They spoke to the Board requesting their consideration in lifting the suspension imposed on Trigg County High School for violation of By-Law 17, Unsportsmanlike Conduct, on October 30 in a football game with Heath High School. Following the presentation and a lengthy discussion thereof, Charles Miller moved, seconded by Whaylon Coleman, that the decision of the Commissioner be upheld in this case. The motion carried unanimously.

Supt. Jack Rose of Calloway County Schools spoke to the Board on behalf of the Calloway County High School requesting that Mayfield High School not be moved from District 3 to District 4 in basketball. After a lengthy presentation, John Brock moved, seconded by Charles Miller, that the matter be referred to the Basketball Committee for further consideration. The motion carried unanimously.

Executive Assistant Billy V. Wise reported that the pre-tournament ticket sales for both boys and girls state basketball tournaments exceed those of last year.

The members of the Basketball Committee discussed at length with the Board members their recommendations on the basketball district and region re-alignments. In making the changes in the basketball re-alignment the Committee members explained that they considered the need for re-alignment first and then the geographical location of the schools as the determining factors. The Basketball Committee submitted the following proposed changes in the districts and regions for the school year 1982-83: Todd County from District 8, Region 2 to District 13, Region 4; McLean County from District 9, to District 12; Butler County from District 12, Region 3, to District 13, Region 4. Robie Harper moved, seconded by Alvis Johnson, that the recommendations of the Basketball Committee be accepted. The motion carried unanimously.

Following a lengthy discussion on the proposed changes in Regions 11 and 12, Alvis Johnson moved, seconded by John Brock, that the Basketball Committee recommendations made for Region 11 and 12 be accepted for the 1982-83 school year. The motion carried unanimously. The new alignment for Regions 11 and 12 is as follows:

**Region XI**
- D. 41 Frankfort
- Franklin County
- Western Hills
- Woodford County

**Region XII**
- D. 45 Boyle County
- Danville

The All-Sports Committee reported on their recommendations for a state-wide fee structure for baseball for the 1982 season. Upon a motion by Alvis Johnson and a second by Eldon Davidson, the following fee structure was accepted by a unanimous vote of the Board; $15 per mile for all travel over 75 miles, $20.00 regular season game, $35.00 regular season double header, $22.50 for district tournament games, $27.50 for regional and the first round of the state tournament and $32.50 for the final four games of the state tournament. Assigning Secretaries are instructed to assign officials from the same general location in order to cut down on travel expense.

After a discussion on a proposal to change By-Law 27, Limitation of Seasons, and placing a limit on the number of baseball and softball games, Eldon

Important! Please be sure that your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which appears in the KAPOS Handbook.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleader squad in the Boys' Sweet Sixteen will receive the Ted Sanford Trophy; in the Girls' Sweet Sixteen the Tom Mills award. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their sponsors are asked to be located close to the playing floor so they can easily come on the floor should they be called for an award.

GOVERNOR BROWN DECLARES GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games that each individual can contribute to the success of the tournament if he will abide by the KAPOS

THE KENTUCKY HIGH SCHOOL ATHLETE FOR FEBRUARY, 1982

Minutes (Continued from page 1)

By-Law 1) Davidson moved, seconded by Charles Black, that the material and study of this By-Law be turned over to the All-Sports Committee for further study and recommendation. The motion passed unanimously.

There was a discussion on a possible proposal to be presented to the State Board of Education for consideration giving the K.H.S.A.A. Board of Control the authority to penalize employees of a
local Board of Education who have been found guilty of violating rules and regulations of the Kentucky High School Athletic Association. The Board suggested that a committee meet with the Commissioner to discuss the wording of this proposal. J. D. Minnehan, John Brock, Charles Miller and Charles Black volunteered to work on this proposal with with Commissioner.

Mr. Mills informed the Board that the requested soccer survey had been completed. He reported that 24 member schools indicated that they would prefer that the K.H.S.A.A. sponsor soccer as a fall sport while 18 indicated a preference for the spring season. Soccer is presently being sponsored as a spring sport. After discussing the results of the survey, John Brock moved, seconded by Bob Rogers, that the matter be referred to the All-Sports Committee for further study and recommendation. The motion carried unanimously.

John Brock moved, seconded by Whaylon Coleman, that By-Law 3, Scholarship, be waived in favor of those seniors whose family situation, loss of a parent and need for deceased social security benefits mandate their enrollment in college prior to May 1, 1982. The motion carried unanimously.

After a discussion on a recommendation of the Golf Committee Eldon Davidson moved, seconded by Fairice Woods, that a survey be sent to the K.H.S.A.A. member schools concerning interest in changing the season in golf from spring to fall. The motion passed unanimously.

John Brock moved, seconded by Robie Harper, that the Board of Control go into closed session. The motion carried unanimously.

Following the closed session, John Brock moved, seconded by Charles Miller, that the recommendation on salaries for the Administrative Staff and Office Manager for 1982-83 be approved as submitted by the Staff Committee. The motion passed unanimously.

Following a lengthy discussion on the investigation made at Owensboro High School and Apollo High School by Billy V. Wise in the Derek Bowman case, Eldon Davidson moved, seconded by John Brock, to accept Mr. Wise's recommendation that By-Law 10, Undue Influence, was not violated by representatives of either of the above named schools in this case. It was suggested by the Board that the administrators in our member schools explain their athletic programs to their student body in the schools and not in their homes. The motion carried by a vote of 9 in favor with 1 abstention (Whaylon Coleman).

The next meeting of the Board of Control will be held at the Hyatt Regency, Lexington, on March 26, 1982, at 9:00 A.M.

Bob Rogers moved, seconded by Fairice Woods, that the bills for the period beginning November 1 and ending December 30, 1981, be approved. The motion carried unanimously.

There being no further business Charles Black moved, seconded by Fairice Woods, that the meeting be adjourned. The motion passed unanimously.

STATE-AT-LARGE CHAMPIONS

Recognition is annually given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive the President's Trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn the girls' varsity winner and the boys' winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Girls' State-At-Large winners will take place at 8:00 A.M., on Saturday, March 20, in the Madison Central High School gymnasium, 705 North Second Street, Richmond. Judging for the Boys' State-At-Large winners will take place at 8:30 A.M. on Friday, March 26, and at 8:30 A.M., Saturday, March 27 in Memorial Coliseum on the campus of the University of Kentucky, Lexington. The public is invited to these outstanding events. The admission charge of $2.00 for adults and $1.00 for students will go toward the expenses of the KAPOS scholarship award, details of which are supplied below.

At the conclusion of the judging, trophies will be awarded to the top four squads, in addition to several special awards.

NOTE TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel to help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to an outstanding and well-deserving cheerleader from Kentucky. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 15. Contact a KAPOS board member or officer for application forms, or pick them up at the State Tournament KAPOS Table.
