KHSAA Archives Established at Eastern Kentucky University

We are pleased to announce that the Board of Control has approved an agreement which designates the Archives at Eastern Kentucky University as the official repository for the KHSAA's older records of historical value. Several months ago approximately forty boxes of records, films, and publications were transferred to the Archives for permanent preservation. The records are maintained under optimal environmental and security conditions. Eastern's Archivist, Charles Hay, reports that all the records have been processed, a preliminary inventory to them has been prepared, and that the records are now open to anyone interested in researching the history of the KHSAA in particular and Kentucky high school athletics in general.

Among the records preserved are minutes of meetings dating from 1918, correspondence, eligibility lists, newspaper clippings, photographs, tournament films and videotapes, oral history interviews with individuals associated with the development of high school athletics, a complete set of the Kentucky High School Athlete, tournament game programs, directories, and constitution and by-laws.

From the Commissioner's Office

PART II EXAMS FOR FOOTBALL AND SOCCER SEPTEMBER 13

The Part II examination must be taken under supervision. It will be given by the local assigning secretary and at the KHSAA office in Lexington. Any exception to the above must be cleared with the Commissioner.

Archives

(Continued from page one)

The KHSAA is actively seeking any films and videotapes of state basketball and football tournaments or other KHSAA sponsored events. Unfortunately, few films exist of past state tournament games. Preservation of any of these films is essential in documenting the complete history of high school athletics in Kentucky. These films will be deposited in our newly established Archives at Eastern Kentucky University and thus be permanently preserved for future generations of Kentuckians to enjoy. The Archives will clean, splice, repair, and store the films properly and make them accessible for viewing.

If you have in your possession or know of anyone who might have films or videotapes please have them contact the KHSAA office. May I assure you that anyone donating films will receive proper credit. If you do not wish to donate a film, arrangements can be made to copy your film. I can not overemphasize the importance of this project and how we will depend on your participation.

For more information about our Archives please contact Charles Hay, University Archives, Cammack 26, Eastern Kentucky University, Richmond, Kentucky 40475, or call 606-622-2820.

CAN ATHLETIC INJURIES AND COST OF ATHLETIC INSURANCE BE REDUCED?

HERE ARE SOME SUGGESTIONS THAT WILL HELP:

1. Secure a team physician. Your local Medical Society can advise on this.

2. Require players to be physically fit and well conditioned before engaging in contact.

3. Do not allow a player with an injury to participate until he has medical approval to do so.

4. Make sure equipment is adequate, in good condition, and that it is properly worn.

5. Consider carefully the length of practice sessions. The latter part of lengthy sessions produces the most injuries.

6. Require injuries to be reported to you promptly and refer those needing attention to the physician at once.

7. Get your players interested in injury prevention and fitness. Any player is more valuable without casts and crutches.

8. Our football plan and student accident plan will provide excellent coverage, service and economy.
