1983 ANNUAL MEETING

The business meeting of the Delegate Assembly of the Kentucky High School Athletic Association will be held on Friday, April 15, 1983, at 11:00 a.m. at the K.H.S.A.A. office building, 560 East Cooper Drive, Lexington, Kentucky.

As provided in Article IX, Section 1, of the K.H.S.A.A. Constitution, the following proposals for changes in the rules of the Association, to be acted upon at the annual meeting, are hereby submitted to all members of the K.H.S.A.A. for their information. No proposals other than these may be considered at the Annual Meeting, except by a two-thirds vote of the delegates.

PROPOSAL I

Principal Thomas L. Hood of Dayton High School proposes that the following changes be made in Article IV of the Constitution of the Kentucky High School Athletic Association.

ARTICLE IV: ADMINISTRATION AND LEGISLATION

Section 1 — Officers (Be changed to read:)
The officers of the Association shall be a Commissioner and a Board of Control composed of eighteen (18) members, at least two (2) shall be black.

Section 2 — Procedures of Election & Board of Control (Shall be changed to read:)
B. Board of Control
1. Members of the Board of Control shall be elected for a period of four (4) years by a vote of the representatives of member schools in each region. There shall be one (1) member from each of the sixteen (16) basketball regions.
2. In addition there shall be two (2) blacks elected (Federal-Court Decree), one (1) shall be elected to represent Regions 1 through 8 and one (1) shall be elected to represent Regions 9 through 16.
3. All Board of Control members shall be full-time certified employees of their respective Boards of Education.
4. Notifications to the Representatives of each school in each Region, in which the member is to be elected, must be made by the Commissioner not later than January 1.
5. To be eligible for membership to the Board of Control, one must be a certified employee of an accredited K.H.S.A.A. member school or system in the region he/she is to represent and must remain in that region during his/her term of office. Serving in a part-time capacity or on leave of absence or on sick leave in any of these capacities will terminate the eligibility of the member and the remaining members of the Board shall fill the vacancy within sixty (60) days in the same manner as that prescribed for the regular election of the Board Members.
6. Nominations for membership on the Board of Control, signed by five (5) representatives of their respective regions, shall be in the hands of the Commissioner, for regions that elect during the year, not later than midnight January 31.
7. Ballots for election shall be distributed by the Commissioner before February 15, and returned on or before March 1.
8. Results of the election be tabulated by the Commissioner, announced at the meeting of the Delegate Assembly, and published in the April issue of the “Athlete”.
9. Terms of Board Members shall be staggered so that four (4) will be elected each year.
10. At the Organization Meeting in July, the members of the Board of Control shall elect from their membership a President and Vice-President to serve for one (1) year. They shall not be eligible to serve for more than two (2) one-year terms in succession. The Superintendent of Public Instruction shall designate a liaison person to meet with the Board of Control to participate in all discussion but to have no vote as a member of the Board of Control.

PROPOSAL II

Principal Robert L. Anderson of Casey County High School proposes that By-Law 10, Undue Influence be changed to read:

The use of undue influence by any person connected with a member school to secure or retain a student or his parents shall cause the student to be ineligible for one year. The Commissioner's office and Board of Control may penalize the offending school up to one year if school officials fail to deal with violation within their system.

In order to help deter undue influence, the following criteria may be used: (1) the status of guardianship must be established prior to a change of residence; or (2) any court order establishing placement of student must be made prior to the change of residence of a student.
