The Kentucky High School Athletic Directors' Association held its 9th Annual Conference last April 25-27 at the Louisville Inn in Louisville. The following topics were discussed:

"Certification of Para-professionals in Coaching"
"Recruiting of the High School Athlete and N.C.A.A. Rules"
"Academic Advisors and the High School Athlete"
"Faculty and Student Trainers"

This was our biggest conference. Our exhibitors donated some outstanding door prizes. Each region throughout the state also donated door prizes.

The National Athletic Directors' Conference will be held in Anaheim, California December 15-18, 1985. We are hoping that a large number of athletic directors from Kentucky will be able to attend.

The Board adjourned for lunch.

Following a lunch break, President Crawford called on Principal Bill Van Winkle of Owensboro High School who had requested to appear before the Board to appeal the decision of the Commissioner regarding Maurice White, a student who was in violation of By-Law 32, Post-Season and All-Star Games. Basketball Coach Randy Embry also appeared before the Board. Following their presentations and questions by Board members, David Webb made a motion that By-Law 32 be waived in this case and Maurice White's eligibility be restored, but that he be placed on probation for the 1985-86 school year. Ray Story seconded the motion, which carried by a vote of 9 in favor and 1 opposed.

Commissioner Mills distributed a new Foreign Exchange Student Transfer Form he had developed to be used beginning with the 1985-86 school year. He asked for comments by the Board members. Following a discussion of same, Ray Story made a motion that the Foreign Exchange Student Transfer Form be accepted for use as presented. Frank Welch seconded the motion, which carried unanimously.

Commissioner Mills recommended a new procedure for distribution of basketball tournament tickets to member schools. Ray Story moved, seconded by Frank Welch, that the new procedure be approved on a one-year trial basis. The motion carried unanimously. Commissioner Mills stated that the order forms would be mailed around September 1.

Mr. Mills presented a request received from Principal Prentice Stanford that Monroe County High School (formed through the consolidation of Gamaliel and Tompkinsville High Schools) be permitted to remain in Class A in football through the remainder of the present classification period. Following a discussion of the request, Ray Story moved, seconded by Tom Buchanan that Mr. Stanford's request be denied. The motion carried by a vote of 8-1 with David Webb abstaining.

Assistant Commissioner Stout presented the following tournament sites to the Board for consideration:

Baseball - Elizabethown High School
Cross Country - Kentucky Horse Park
Softball - Lyndon Park, Louisville
Soccer - Jeffersonville High School
Wrestling - Atherton High School

Ray Story made a motion, seconded by Grant Talbott, that the tournament sites be accepted as presented. The motion carried unanimously.

Asst. Commissioner DeVries distributed a Track re-assignment which would be presented to the All-Sports Committee for consideration and approval.

Commissioner Mills presented a letter from Mr. Ernie Denham, Executive Director of the Kentucky Golf Association, requesting that the Board change high school golf season from Spring to Fall. Following a lengthy discussion by the Board and due to the fact that the Board is very concerned about the loss of school time not only for golf but all other sports as well, and the fact that the 1985-86 calendar has been changed to prevent the loss of school time, Frank Welch moved that golf remain a Spring sport at this time. Chester Turner seconded the motion, which carried unanimously.

Sports Information Director Julian Tackett requested that schools submit suggestions to be included in K.H.S.A.A. publications for High School Activities Week which will be in October. He will be mailing packets regarding same to the high schools in the near future.

It was decided that the Official Board of Control Handbook be voted for acceptance at the next meeting which will be held on October 11, 1985 at the K.H.S.A.A. Office. Any appeals would be heard on Saturday morning, October 12.

There being no further business, Charlie Wilson moved for adjournment. Tony Olinger seconded the motion, which carried unanimously.

The Annual Meeting of the Football Assigning Secretaries for the Kentucky High School Athletic Association was held at the Association Office, 560 East Cooper Drive, Lexington, Kentucky, on May 13, 1985. The meeting was called to order at 9:00 a.m. by Billy V. Wise, Executive Assistant. Those answering roll call were:

**Western Kentucky** Joe Russell  
**Big Eight** Harold Mischel  
**Mid-Kentucky** Jack Goodman  
**Kentuckiana** Don Metzger  
**Northern Kentucky** Stan Steidel  
**Central Kentucky** Not Represented

**16th Region** Frank Firestone  
**KHSAA Sports Information** Julian Tackett, Director

Mr. Wise made an announcement that he attended a sectional committee meeting in Columbus, Ohio, for the purpose of discussing reciprocity for officials among the states of Ohio, Kentucky, Indiana, Michigan and West Virginia. This proposal hopefully will be finalized in January, 1986, and will begin with the 1986-87 school year.

There was a lengthy discussion concerning assigning officials to regular season and bowl games. Some of the problems that the assigning secretaries brought out were:  
(1) not enough personnel in region; (2) lack of security for officials working in certain areas; (3) school officials not cooperating with officials; (4) schools not wanting officials from their home region; (5) some regions not using proper rating system; (6) complaints from officials concerning mileage (rate of .15/mile in areas where they must travel long distances); (7) officials cancelling games at the last minute for various reasons; (8) lack of communication from this office concerning action taken against school officials, such as disciplinary action against a coach for a violation; (9) non-uniformity in using four or five man crews. Ray Canady made a motion, seconded by Joe Russell, that all game assignments, excluding KHSAA play-off games, be made by the Assigning Secretary of the Region/Association in which the designated "home" team belongs. The motion passed 9-0.

Jack Goodman made a motion, seconded by Stan Steidel, that a copy of all communication from this office concerning violations by schools, coaches, etc., be sent to

VOLLEYBALL COMMITTEE MINUTES

The Volleyball Committee met at the Kentucky High School Athletic Association Office in Lexington, Kentucky, on Wednesday, June 26, 1985. The meeting was called to order at 9:30 a.m. by Brigid L. DeVries, Assistant Commissioner. Committee members present included John Bancroft, Bunny Daugherty, Ann Harrick, Margi McKenna, Sally Meng, Joan Mitchell, John Smith and Dana Wolfe.

The first item on the agenda was a discussion of regional tournament and sites. Ms. DeVries advised the Committee of the changes in the teams in regions. Committee members will check in their area and report back so that sites can be determined in the near future.

Following a discussion of the items on the Regional Tournament Information Sheet, a change in the regional tournament format was suggested. Dr. Smith recommended that the format be changed to a double elimination tournament, which carried unanimously. This format would eliminate the need for a tie-breaking procedure on the information sheet.

A discussion followed regarding the site for the 1985 State Volleyball Tournament to be held November 1-2, 1985. Written requests to host the tournament had been received from Fairdale High School and the University of Kentucky. Due to the fact that the University had two courts available for pool play, Ann Harrick recommended that the 1985 State Volleyball Tournament be held at the University of Kentucky. The recommendation carried.

There continues to be a severe shortage of volleyball officials in the state. A tournament is scheduled in the Northern Kentucky Region. It was suggested that former volleyball players, physical education majors, etc., be reappointed to get involved in officiating. The Committee felt an assigning secretary for volleyball would help in this endeavor.

The clinic dates for 1985 are as follows:
August 20-Louisville-Iroquois High School - 7:30 p.m.
August 22-Alexandria-Campbell County High School - 7:30 p.m.
August 27-Lexington-Sports world - 6:00 p.m.

Mike McDaniel requested that the Committee develop a policy on forfeits. The following procedure will be in effect for the 1985-86 season. A team that is 15 minutes late will forfeit one game. After one-half hour, the match is forfeited upon mutual consent of both coaches and officials, the match can be played as scheduled if a match has to be played at a later date, the coaching school must pay the officials fee for the forfeited match.

Ms. DeVries briefly discussed the National Federation rules changes. Changes to be made in the Constitution and By-Laws under Volleyball Rules and Regulations would be changing the type of tournament from round robin play to double elimination for regional tournaments.

Following a discussion of various miscellaneous items, the meeting was adjourned.
