MINUTES OF THE BOARD MEETING
January 19-20, 1990

APPEALS HEARINGS

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn in Louisville, Kentucky on Friday afternoon, January 19, 1990 for the purpose of hearing appeals. The meeting was called to order by President Sam Chandler at 1:00 p.m. Present were all Board members, Commissioner Tom Mills, Executive Assistant Billy Wise, Assistant Commissioner Brigid DeVries and Sports Information Director Julian Tackett. Mr. Harry Loy, representing the State Department of Education was also present. The invocation was given by Mr. Sam Chandler.

President Chandler called on Ms. Beverly Basham who had requested a hearing before the Board on behalf of her daughter, Kerry, a student at duPont Manual High School. Following Ms. Basham's appeal and questions to her by the Board members, C.K. Henry made a motion that the Board waive By-Law 6, Transfer Rule and declare Kerry eligible to participate in interscholastic athletics. Liz Trabandt seconded the motion which passed unanimously.

The next appeal was presented by Commissioner Tom Mills on behalf of Jody Noble. Mr. Mills read a letter from John Paul Amis, Buckhorn High School, regarding Jody's medical history and a request for an extra year of eligibility. Following Mr. Mills presentation and discussion thereof, Bob Rogers made a motion, seconded by Alvis Johnson, that the Board grant Jody Noble another year of eligibility. The motion passed unanimously. Therefore, Jody may participate in interscholastic athletics during the 1990-91 school year.

Commissioner Mills next presentation was on behalf of Principal Thomas Swartz, Pikeville High School regarding his appeal of the site of the 1990 Girls 15th Region Basketball Tournament. Following a discussion of Pikeville's request, Bob Rogers made a motion to deny Pikeville's appeal and leave the tournament at Elkhorn City. Eddie Saylor seconded the motion which passed.

Alvis Johnson made a motion, seconded by C.K. Henry that the Board direct the Commissioner to invite member schools in each basketball district and region throughout the state to adopt a rotation plan for tournament sites, to be submitted to the Commissioner for consideration. The Commissioner would be guided by these recommendations except in cases where it was obvious that a school or schools capable of hosting the tournament were arbitrarily omitted from the rotation plan. The motion passed unanimously.

The next appeal of a regional tournament site was from Supt. Eddie Brown, McCreary County Schools. The Commissioner had set the site of the 12th Region Boys' Tournament at Lincoln County High School. Following a lengthy discussion of Supt. Brown's request, Bob Rogers made a motion that his appeal be denied. Sandy Allen seconded the motion which passed unanimously.

There being no further appeals, President Chandler called for selected items of business from the regular Agenda to be considered.

President Chandler appointed the following committee to study a proposal to be sponsored by the Board of Control on the subject of academic requirements as they relate to participation in interscholastic athletics: Bob Rogers, Charlie Miller, Sandy Allen and Alvis Johnson.

Asst. Commissioner DeVries presented recommendations to the Board from the Track and Field Committee. Following a discussion of these recommendations, President Chandler referred these items to the All-Sports Committee and requested they make a report at the March meeting.

Exec. Asst. Wise then presented a request from Virgie High School to remain in Class A football for the 1990 season. The fact that Virgie is consolidating with Dortmund to become Shelby Valley High School and the fact that some players will have had no football experience was the basis for the request.

(Dortgon has not fielded a football team in the past.) Marvin Moore made a motion, seconded by Charles Miller that Virgie's request be accepted. The motion passed.

Following a discussion of a request from the University of Alabama for the K.H.S.A.A. to survey schools assessing the needs for Athletic Trainers at the secondary school level in interscholastic athletics, Marvin Moore made a motion that their request be approved and that the Board encourage state-wide support. Charles Miller seconded the motion which passed unanimously.

A discussion ensued with regard to moving Soccer from a Fall sport to Spring. A motion was made by Bob Rogers that the Commissioner's office survey the soccer schools for their input on this issue. C.K. Henry seconded the motion which passed by a vote of 10-2.

Executive Asst. Wise recommended to the Board that the officials for the District and Regional Basketball Tournaments be assigned as follows: that all Associate ons work within the region; but outside of the district of residence for the District Tournament assignments; and for the Regional Tournament, officials will work outside of the region. Huston DeHaven made a motion that the recommendation be accepted. The Board emphasized that no exceptions should be made to this policy.

Mr. Wise reported that $429,855. in ticket sales has been received through this date for the Boys State Basketball Tournament. Advanced ticket sales for the Girls State Basketball Tournament has netted $20,840.

The meeting was adjourned until 9:00 a.m., Saturday, January 20.

MINUTES OF THE BOARD MEETING
January 20, 1990

The Board of Control of the Kentucky High School Athletic Association met at the Executive East, Louisville, Kentucky, on Saturday morning, January 20, 1990. The meeting was called to order by President Sam Chandler at 9:00 a.m. Present were all Board members, Commissioner Tom Mills, Executive Assistant Billy Wise, Assistant Commissioners Brigid DeVries and Louis Stout, S.I.D. Julian Tackett and Sectional Director Jerry Keenel. Mr. Harry Loy, representing the State Department of Education was also present. The invocation was given by Mr. Chandler.

C.K. Henry made a motion that the minutes of the December 1-2, 1989, meeting be approved with one change. Eddie Saylor seconded the motion, which carried unanimously.

Alvis Johnson made a motion, seconded by Liz Trabandt, that the bills of the Association for the period November 1 through December 31 by approved. The motion carried unanimously.

BOARD OF CONTROL

President Chandler then called on Charles Miller, Chairman of the Football Committee for his report. The committee presented a proposed realignment for 1991-1994 to be considered by the football schools. The Board also discussed submitting two Referendums to the schools regarding By-Law 25, Section 4. The Referendums deal with improvement of the present playoff system to allow the top four (4) teams in each district to advance to the play-offs and a later starting date for organized practices. Bob Rogers moved that the Board accept the Football Committee's request to submit these Referendums to the schools. C.K. Henry seconded the motion which passed.

The next item on the Agenda was a presentation by David Hollon, Asst. Supt. Muhlenberg County Board of Education, regarding their football program. Due to the fact that seven of the county schools are consolidating into two schools, Mr. Hollon, along with other representatives of Muhlenberg County Schools, addressed concerns regarding their present position in the district alignment. President Chandler advised Mr. Hollon and others that their concerns would be given every consideration.

Following a discussion on the need to assign new and consolidated schools to basketball districts, it was decided that this item of business be deferred to the March meeting of the Board.

Commissioner Mills then discussed with Board members several proposals to be considered by the 1990 Delegate Assembly. Topics included in the proposals are: increasing the Board's number to 22 members; lifetime membership to the K.H.S.A.A.; amendment to the Limitation of Seasons; dates and sites of regional basketball tournaments.

Following a discussion to increase the number of players that may dress for district, regional and state basketball tournament play, Alvis Johnson made a motion that the Board allow fifteen (15) players to dress for tournament play to be effective immediately. However, the Board will reimburse for twelve (12) players at the State Tournament. Eddie Saylor seconded the motion which passed unanimously.

Upon the recommendation of Commissioner Mills, Alvis Johnson made a motion, seconded by Charles Henry, that the Commissioner be empowered to grant each team that participated in the State Football Playoff Finals $1,200.00 to help defray expenses. The motion carried unanimously.

Exec. Asst. Wise reported to the Board that the Final Report for the Football Playoffs and the report on the Hall of Fame game will be presented at the March meeting.

Commissioner Stout advised the Board of the recent Baseball Committee Meeting and the recommendation of the Baseball Umpires Association regarding a request for increase in game fees. Following a discussion of the suggested increase, Bob Rogers made a motion that the game fees be as follows: $27.50/game; $55.00 double header; $.15 per mile -- all over 50 miles. David Points seconded the motion which passed by a vote of 10-1.

Commissioner DeVries discussed two items with the Board: a letter from Lawrence County regarding Fall Tennis and a new fee structure for Volleyball. Both items were referred to the All-Sports Committee.

Executive Asst. Wise advised that the next meeting of the Board has been set for March 16 at 8:30 a.m. in Bowling Green. Any appeals will be heard at the Regular Meeting.

The Board requested Commissioner Mills to request bids for hosting the 1992 Boys and Girls State Basketball Tournaments for presentation at the April meeting.

Alvis Johnson made a motion that the meeting be adjourned. Charles Henry seconded the motion which carried unanimously.

The State Golf Committee for the Kentucky High School Athletic Association met on Monday, January 22, 1990, at the Kentucky High School Athletic Association Office in Lexington. The meeting was called to order by Billy V. Wise, Executive Assistant, at 10:00 A.M. Attending the meeting were Cathy Gullette, Ernie Denham, Bill Frost, Dave Baire, Kim Gunn, Joseph Friesley, Lou Brown, Marty Donlon, John Hackett, Danny Spillman and Larry Schmidt, Brigid DeVries, Assistant Commissioner also attended the meeting.

All information for State and Regional Tournaments was reviewed and minor changes were made for the current season. The Kentucky High School Athletic Association announced that the Boys' State Tournament would be held at Lincoln Trail Country Club, Elizabethtown, Kentucky. Date for the Regionals: May 21-23, 1990. Date for the State: May 30-31, 1990. Earl Cox announced that there will be a cook-out at the Lincoln Trail Country Club on May 29 for all participants and coaches in both the boys' and girls' tournaments.

Danny Spillman made a motion, seconded by John Hackett that five schools from the Bowling Green Region be moved to the West Jefferson Region. These schools are: Elizabethtown, Fort Knox, East Hardin, North Hardin and West Hardin. The vote was unanimous.

There was also some discussion that there were too many schools in the Frankfort Region. Dave Baire and Bill Frost are to work on dividing the Washington County Region and the Frankfort Region into three regions for the 1990 fall season. Larry Schmidt suggested that the Kentucky Golfers Association provide a state wide clinic for all coaches. After much discussion it was suggested that they set up one clinic and see what response is received. Hopefully in the future there would be several clinics set up throughout the state so more coaches could participate.

There was a lengthy discussion concerning the 1990 fall golf season. The Golf Committee made a proposal regarding season play and dates for the Regional and State Tournaments for 1990. This proposal will be submitted to the Board of Control for discussion and approval, after which it will be presented to the Delegate Assembly in April for their approval. The motion made by John Hackett, seconded by Larry Schmidt is as follows: (1) organized golf practice cannot begin prior to July 15 (2) the season will begin August 20 and end the first week in October (3) Regional Play will be October 8-10 (4) the State Golf Tournament will be October 16-17. The vote was unanimous.

Cathy Gullette proposed that teams be allowed to designate five golfers and play four for both regional and state tournament play, effective in the fall of 1990. Marty Donlon made the motion, seconded by Cathy Gullette that this proposal be presented to the All-Sports Committee and then to the Board of Control for approval. Committee members were unanimous in their support for this proposal.

There being no further business, the meeting was adjourned.

---

The 1990 State Softball Committee meeting was held in Lexington, Kentucky on February 10 at the Kentucky High School Athletic Association office. Those members present were: Tim Moore, Chairman, Northern Kentucky, Jim Perrin, Western Kentucky, State Kaufman, Louisville, Ed Holbrook, Southern/Eastern, Jennifer Mertie, Northern Kentucky. We had two members that could not be present for the meeting.

The committee discussed the District sites for the 1990 season and felt that due to some changes in the alignment for this season, that an effort be made by each district to vote to have the tournament rotated each year providing the facilities would permit this to take place.

Those districts that have not been assigned for this year will be contacted by the softball committee members as to the district sites for this season. The Regional sites that have been made will be as assigned unless the realignment will cause a change. The committee has recommended for the 1991 season that all regional sites be placed on rotating basis where possible.

The committee approved the sites for the 1990 district and regional sites where the realignment do not call for the district or regional to be reassigned. Concerning the site for the 1991 state softball tournament, Steve Kaufman, Louisville, made the motion that the state tournament be held in Owensboro, Kentucky. Jim Perrin, West Kentucky seconded the motion. The motion passed unanimously. The Committee recommended that the post season tournament games be played with the non-restricted ball (White Stitch). The motion was made by Jim Perrin and seconded by Ed Holbrook. The motion passed unanimously.

The committee recommended that Tim Moore contact the Eight Region Athletic Directors/Coaches to determine the alignment in each of the four districts. The committee recommended that for travel reasons, Clark County be moved to District 40, Region 11 beginning with this season. However, after discussing the possible change with Clark County, and since their schedule has been completed for the 1990 season, they have requested to remain in districts 38 for the 1991 season and be placed in district 40 for the 1991 season.

The committee recommended that Region 12 be realigned to satisfy the travel for the schools in the Eastern Kentucky area.

The realignment will take place in the districts beginning with:

DISTRICT 43 - Pulaski County, Laurel County, Corbin, Rockcastle, Somerset.
DISTRICT 44 - Knox Central, Whitley County, Williamsburg, Oneida Baptist Institute, Lynn Camp.
DISTRICT 45 - Monticello, Russell County, Wayne County, McCreary Central, Casey County.
DISTRICT 46 - Cawood, Evarts, Middlesboro, Bell County, Red Bird, Pineville.

The committee recommended that Region 12 be realigned as outlined and presented by Ed Holbrook. Motion was made by Tim Moore, second by Steve Kaufman. Motion passed unanimously.

Ed Holbrook presented the changes and alignments for Region 13.
Recommended changes:
DISTRICT 47 - Cordia, Hazard, M.C. Napier, Leslie County, Dicke Combs.
DISTRICT 48 - Knott County, Letcher County, Whitesburg, June Buchanan.
DISTRICT 49 - Breathitt County, Buckhorn, Jackson City, Jackson County, Rivers.

FOOTBALL SCHOOLS ENCOURAGED TO HOLD OFF ON SCHEDULES

Due to the fact that there is the potential for a significant realignment in football, football playing schools are encouraged not to sign contracts which call for games beyond the 1990 season. The starting date will change in 1991, as well as the district assignment changes, and until this alignment is finalized, probably in the early spring, it would be advisable to hold off from finalizing schedules and contracts. A meeting to further discuss the alignment will be held on Wednesday, April 18 in the offices in Lexington.

KAPOS NEWS
STATE TOURNAMENT INFORMATION

Participating cheerleader and cheerleading coaches registration: all cheerleading squads and/or coaches are asked to stop by the KAPOS table to:
1. Register your squad.
2. Pick up important information and materials for you and your school.

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all cheerleading coaches and cheerleaders that KAPOS hosts a Hospitality Room for participating cheerleaders. We cordially invite you to have refreshments, socialize with friends, exchange ideas, and perhaps get help with your problems.

"Sweet 16" Cheerleading Squads: Attention Principals! If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleading coach. We request that your cheerleaders be chaperoned by a well qualified, school approved adult. Verification of this, along with your cheerleading coach's name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of the KAPOS officer prior to the time that your cheerleaders take the floor.

Important! Please be sure that your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these awards will be determined by use of the KAPOS Judging Sheet, a copy of which appears in the KAPOS Handbook.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:
The winning cheerleader squad in the Boys' Sweet Sixteen will receive the Ted Sanford Trophy; in the Girls' Sweet Sixteen the Tom Mills Award. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their coaches are asked to be located close to the playing floor so they can easily come on the floor should they be called for an award.

GOVERNOR WILKINSON DECLARES GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Wilkinson. The Governor's proclamation is on display at the KAPOS table.
STATE-AT-LARGE CHAMPIONS

Recognition is annually given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive the KAPOS President's Trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn the girls' varsity winner and runner-up and the boys' winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Boys' State-At-Large winners will take place at 8:30 A.M., on Saturday, March 24, in Louisville at Broadbent Arena.

Judging for the Girls' State-At-Large winners will take place at 8:30 A.M., on Saturday, March 17, at Warren Central High School, Bowling Green. The public is invited to these outstanding events. The admission charge of $3.00 will go toward the expenses of KAPOS scholarship award, details of which are supplied below.

At the conclusion of the judging, trophies will be awarded to the top squads, in addition to several special awards.

NOTES TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from his or her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to outstanding cheerleaders from Kentucky. In 1989, KAPOS awarded 13, $500 scholarships to well-deserving cheerleaders. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 30. Contact a KAPOS board member or officer for application forms, or pick them up at the State Tournament KAPOS Table.

### State Softball Committee Minutes (Continued from Page Five)

The committee recommended that Region 13 be realigned as outlined and presented by Ed Holbrook, motion was made by Tim Moore, seconded by Steve Kaufman. The motion passed unanimously.

The softball committee recommended that the State Softball Tournament beginning in 1991 be a double elimination tournament. Due to the short period of time that it takes for a softball game to be played, the committee felt that it would constitute only one more day for the format to be added. With the four fields that are available on the same site in Owensboro, the tournament could be played in two days as it is played currently. The committee would also like to recommend that the tournament play begin on Friday rather than on Thursday so that the fans will have an opportunity to see their teams play. Also this would not constitute the teams being out of school on Thursday. The rain possibility would be to play the remainder of the games on Sunday.

The Softball Committee recommends that the softball program be granted the two tournament right as the basketball program with the two tournaments counting one game each. This would not be counted against their 35 game limit regular season play. Motion made by Ed Holbrook and seconded by Steve Kaufman. The motion passed unanimously.

SITUATION: The throwing sector in the shot put is 65.5 degrees (figure 4, page 39).

Comment: The purpose of the note in 2-2-11 (d) is to determine where to begin the jump-off when two or more competitors are tied for first place and their last attempted height is not the same due to a passed height.

RULING: To be upheld. (5-9-4)

COMMENT: While it is important that the first exchange in the 4 x 400 meter relay is made in the assigned lane, once the exchange has been completed, the outgoing runner is free to move towards an inside lane at any time as long as the runner avoids interference with any other runner. Following the race, Team A is disqualified on the basis of an Inspector's report that A2 left his assigned lane before passing the mid-point of the exchange zone. Team A's coach files an appeal.

RULING: The appeal will be upheld. (5-9-4)

SITUATION: The 4 x 400 meter relay is run from a two-turn stagger. A2 takes the baton from A1 at the beginning of the exchange zone in lane 8 and immediately begins moving towards the inside lane without causing interference with any other runner. #12 Ruling-Change "second" to "third.
#16 in second line of situation, delete "is hit by a pitch" and replace with "walk.
#18 Ruling-Last word to be "infraction."

1990 Examination I
Question #24 answer should be True.

SITUATION #1: After a game, the umpires are discussing a call that both coaches and fans felt was incorrect. For an official interpretation one umpire suggests contacting, (a) a college umpire, (b) a local sportswriter, (c) the state association officer, or (d) a national magazine or publication that provides a rules interpretation service. RULING: Requests by umpires, coaches, fans, etc., for rule interpretations or clarifications should be directed to the appropriate state association, which is responsible for administering and conducting the state's high school softball programs. The National Federation will assist state associations whenever called upon concerning rules, interpretations, etc. Perspectice sources for rules interpretations, such as (a), (b), and (d) are not part of the National Federation rules network and have no "official" status with regard to interpreting National Federation rules. By working directly through state associations, confusion and the risk of receiving an incorrect interpretation are greatly reduced. (Inside Front Cover-Rule Book)

SITUATION #2: With R1 on third and R2 on first, B3 strikes out and intersects with F2's attempt to put out R2, who is stealing. The throw goes into center field and R1 scores.
RULING: R1, the runner closes to home, is called out because of B3's interference. R2 is returned to first base. 7-5 Penalty

SITUATION #3: A batted ball defects off the glove of F1. F5 reverses direction as a result of the deflection and dives toward her left in an attempt to back hand the ball. In so doing, F5 and R1, who was advancing to third, collide. R1 could not later her base path in time to avoid the collision. Is R1 out for interference or is F5 guilty of obstruction?
RULING: Neither R1 or F5 are at fault. This is simply a collision. R1 cannot be held liable for running into F5 because F1 deflected the ball into the base path. Had R1 had an opportunity to avoid contact with F5, but intuited contact anyway, interference would be called. (8-4-2-3)

SITUATION #4: With the bases loaded, F6 asks the umpire how many are out. The umpire indicates that there are two outs. On the next pitch, B5 hits a ground ball to the second base side of F6, who fields the ball, steps on the base and rolls the ball to the pitcher's plate. Thinking that was the third out, the defensive team leaves the field, only to be informed by the umpire-in-chief that there are two outs. The coach of the defensive team appeals, claiming that the base umpire misinformed his players concerning the number of outs, which contributed to the opposing team's runs?
RULING: The defensive team has the responsibility to know how many outs there are. Even though the umpire misinformed the defensive team, the play stands. (10-2-3-9)

SITUATION #5: With R1 on third and no outs, B2 hits a high fly in the infield above the second baseman's head. Base umpire erroneously calls "infield fly. The batter is out. The second baseman subsequently drops the ball. The runner from third scores but the batter, who hesitated, because of the umpire's call was thrown out at first base. Does the play stand?
RULING: The play stands. The team at bat has the responsibility to know when conditions exist for an infield fly. B2 should have attempted to reach base safely and then inform the umpire that her call was in error. (2-8-5, 7-4-g)

SITUATION #6: R1 steals second base before F2 can make a throw. As R1 dusts herself off, F6 tells her that the ball was hit foul. R1 trots back to first base and is immediately tagged out. R1 claims that F6's comment caused her to be put out and asks the umpire to nullify the out and allow her to remain at second base. RULING: R1 has the responsibility to know whether the ball was hit foul or not. Furthermore, R1's base coaches should have kept R1 informed. Therefore, the out stands. However, the umpire should warn F6 not to repeat her actions. (8-4-2-e)

SITUATION #7: Prior to the game, the umpire-in-chief with new game balls. Upon a closer examination, the umpire realizes that the softball is a molded ball and does not have stitched covers. RULING: If the catch does not have legal softballs, the visiting team shall be given the opportunity to provide the game balls. If possible, new softballs should be provided. However, if none are available, legal softballs in the best condition should be used. (1-3-4)

SITUATION #8: With R1 on first base, B3 bats out of order and hits to F5 who forces R1 out. The infraction is discovered before the next pitch. RULING: The player who should have batted should be out. R1 is returned to first base. The proper batter shall assume her position in the batter's box with no ball or strikes (7-1-1-Penalty)

SITUATION #9: Team A's players are wearing plastic visors covered with a soft material. RULING: Even though the plastic is covered, there is still the possibility that it could break, which would pose a safety risk to participants. Any similar substitution would also be illegal (1-1-5)

SITUATION #10: S1 pinch hits for B1 and singles, but fails to report. The infraction is then brought to the umpire's attention (a) before the next pitch or (b) after a pitch has been thrown.
RULING: In (a) and (b) S1 is ejected. In (a) R1 is out for not batting in the proper position. The play is nullified in (b) the play stands, because the infraction was detected after a pitch. Since B1 is ejected, a legal substitute must replace S1. (3-1-4, 7-1-2-Penalty)

SITUATION #11: With R1 on first and R2 on second, F1 delivers a pitch into the dirt that gets away from F2. While chasing the ball, F2 (a) accidentally or (b) intentionally kicks the ball into dead ball territory. RULING: In (a) each runner would be awarded one base from the base they occupied at the time of the pitch. In (b) it is the judgment of the umpire F2 intentionally caused the ball to become dead, all runners are awarded two bases beyond the base they last occupied legally at the time of the infraction. Until the ball receives new impetus, it is still considered a pitch. (8-3-3-c, d)

SITUATION #12: F1 with the ball in her pitching hand extends her arm completely forward at shoulder level. Then, as it does the backstroke, she makes one revolution and then another, but releases the ball past the hip on the second time around. RULING: Legal, since she did not make two complete revolutions. A revolution is measured from the start of the revolution. (6-1-4-4 and 6-1-4-4-D Note)

SITUATION #13: In the first inning after three pitches have been thrown, a horizontal flame force the umpire to call the game. Is this a suspended game?
RULING: Yes. (4-3-1)

SITUATION #14: Team A arrives at the field wearing jeans with T-shirts that display advertising of a local merchant. Is that team in violation of the rules?
RULING: No. Uniforms of all teams members should be of the same color and style. Jeans are not prohibited, and neither is advertising that appears on uniforms. However, state association regulations may prohibit either or both. (1-1-5)

SITUATION #16: With the bases loaded and no outs, B4 receives ball four. On her way to first base, she takes off her helmet and exchanges it with the next batter. RULING: B4 is called out immediately. The ball remains alive. The award remains in effect. Therefore each runner is allowed to advance. (8-4-1-g, 10-2-3-g)

SITUATION #18: R1 is on first, F1 commits an illegal pitch. Plate umpire calls "illegal Pitch." R1 leaves base too soon after illegal pitch is called. Base umpire calls "No Pitch" and declares ball dead. B1 hits the illegal pitch and advances to third.
RULING: Illegal pitch. A ball is called on the batter, and R1 is advanced to second base. Since the illegal pitch occurred before B1 left base too soon, the penalty for illegal pitch shall be administered. Since the base umpire declared the ball dead with the "No Pitch," B1 cannot be awarded third base for the hit. The ball was dead when the batter hit it.
