SPECIAL 1991-92
CHAMPIONSHIP RESULTS ISSUE
LUDLOW JUNIOR AWARDED "GAME GUY" TROPHY

Kentucky High School Athletic Association Commissioner Billy V. Wise has announced the winner of 1991-92 "Game Guy Award." The award is presented by the KHSAA to a high school student-athlete in the state who has overcome a physical handicap to compete in athletics.

The unanimous choice of the award committee for the 1991-92 award is Mr. Brandon Claypool, a junior at Ludlow High School.

Brandon suffers from a disease called Sacral Agnesis which is a malformation of the sacrum and the nerves at the end of the spine. The symptoms related to the disease include underdeveloped muscles in the lower legs and feet, and internal complications. He has had surgery on both arches and heels. On two separate occasions doctors have told him he may never walk again. He takes medication on a daily basis for an indefinite amount of time. He also has tendonitis and arthritis in his knees, ankles and lower back.

Brandon's mother died when he was in his freshman year at Ludlow High School. He now lives with his grandmother and uncle.

Despite all of these problems, Brandon has strived to be his best. He maintains a 3.3 grade point average, despite missing 40 days of school for hospital visits. He spends many hours in the weight room strengthening his upper body to compensate for his medical complications in the lower body.

Brandon is a three year letterman in track where he is a pole vaulter and throws the discus while wearing bulky rib and back protectors. During his career in Track he has received one gold medal, six silver medals and one fourth place ribbon.

The KHSAA salutes Brandon Claypool and all of the other overachievers that make high school athletics special.
This Special Edition of *The Athlete* will be the final edition of the 1991-92 academic year. It is packed with pictures and results of all the KHSAA sanctioned state championships of the past year. We hope that it will not only be informative and entertaining, but also serve as an efficient reference source.

You have seen many changes in *The Athlete* over the past year and many more are slated for the future. We have thrived on your comments and suggestions so please let us know if you have any ways we can improve the publication.

Thanks again to all of the students, coaches, administrators and officials for all of your efforts during the past year. Have a good summer and we will be back with you in the fall.

Quality Video

The new leadership of your Kentucky High School Athletic Association wants there to be one word associated with every service we provide... QUALITY. That's why we've hired a professional video production company to handle the videotaping of our state championship events.

We tape these events due to the limited space available for schools and fans to tape contests and to eliminate the problems caused when many fans wish to tape the same contest, particularly in a crowded facility.

Our new video program will make it possible for you to obtain a Professional "Broadcast Quality" video tape at a reasonable price.

The special student or team that is responsible for your interest in high school athletics takes pride in the opportunity to compete in a state championship. We want to provide you with Quality memories that you can enjoy for years to come.

If you are interested in ordering a tape, look for the special envelope enclosed in this program or simply fill out the coupon below, enclose payment of $29.95 per tape and mail to:
