Growing For You... 

About your K.H.S.A.A... 

* Your Kentucky High School Athletic Association serves as the governing agency for all 12 of Kentucky's high school sports. Your association regulates eligibility rules and sponsors 29 state championships. 

* Your association is a private, non-profit organization that receives no tax funding, all of the K.H.S.A.A.'s operating budget comes from private donations and receipts from the state championships (basketball, football and soccer receipts comprise 80% of the association's revenue) 

A helping hand... 

* Your association is dedicated to serving its member schools. That's why we pay the premium on a catastrophic life insurance plan that covers every student-athlete in the state of Kentucky. From the classroom to the practice field to the game court if a catastrophic accident should occur, your association will be there to provide comfort and financial assistance. Your association also provides a liability insurance plan for member schools and coaches. 

Our new home... 

* Construction is underway on a 25,000 square foot building that will house your association's offices and a Hall of Fame and Museum (to honor the thousands of persons who have made a lasting contribution to high school athletics in the state of Kentucky.) The offices will be ready for occupancy by January 1992 with full implementation of the museum expected by the 1993-94 school year. We have many exciting exhibits planned to showcase Kentucky's unique athletic history. Come celebrate with us in your K.H.S.A.A. Hall of Fame and Museum.

KAPOS NEWS

STATE TOURNAMENT INFORMATION

Participating cheerleader and cheerleading coaches registration: all cheerleading squads and/or coaches are asked to stop by the KAPOS table to:
1) Register your squad.
2) Pick up important information and materials for you and your school.

Along with a KAPOS board member, there will be high school cheerleaders on hand to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: May we remind all cheerleading coaches and cheerleaders. We cordially invite you to have refreshments, socialize with friends, exchange ideas and perhaps get help with your problems.

The winning cheerleader squad in the Boys' Sweet Sixteen will receive the Ted Sanford Trophy; in the Girls' Sweet Sixteen the Tom Mills Award. The runner-up cheerleading squad will receive a trophy, with the third and fourth place squads being awarded plaques. In addition, the special K-Pep Award will be presented. All tournament cheerleading squads and their coaches are asked to be located close to the playing floor so they can easily come on the floor should they be called for an award.

GOVERNOR JONES DECLARES GOOD SPORTSMANSHIP MONTH

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Jones. The Governor's proclamation is on display at the KAPOS table.

"Sweet 16 Cheerleading Squads: ATTENTION PRINCIPALS! If your team will be participating in the State Tournament, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleading coach. We request that you cheerleaders be chaperoned by a well-qualified, school approved adult. Verification of this, along with your cheerleading coach’s name, must be contained in the letter of confirmation which you will receive. This letter must be in the hands of the KAPOS officer prior to the time that your cheerleaders take the floor.

IMPORTANT! Please be sure that your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners of these will be determined by use of the KAPOS Judging Sheet, a copy of which appears in the KAPOS Handbook.

AWARDING OF TROPHIES

KAPOS is pleased to honor outstanding cheerleading squads with the recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:
KAPOS NEWS...cont.

STATE-AT-LARGE CHAMPIONS

Recognition is annually given to cheerleading squads other than those sixteen fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer trophy, while the runner-up will receive the KAPOS President’s Trophy. Plaques will be given to the third and fourth place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-at-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn the girls’ varsity winner and runner-up and the boys’ winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Boys’ State-At-Large winners will take place at 8:30 a.m. on Saturday, March 28 in Shepherdsville at Bullitt Central High School.

Judging for the Girls’ State-At-Large winners will take place at 8:30 a.m. on Saturday, March 21 in Lexington at Memorial Coliseum. The public is invited to these outstanding events. The admission charge of $4.00 will go toward the expenses of KAPOS scholarship award, details of which are supplied below.

At the conclusion of the judging, trophies will be awarded to the top squads, in addition to several special awards.

NOTES TO ALL ADMINISTRATORS

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively.

Again, we need judges and personnel help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you decide to release a teacher from his or her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

STELLA S. GILB SCHOLARSHIP

KAPOS is happy to annually award the Stella S. Gilb Scholarship to outstanding cheerleaders from Kentucky. In 1991, KAPOS awarded 10 $500 scholarships to well-deserving cheerleaders. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 30. Contact a KAPOS board member or officer for application forms, or pick them up at the State Tournament KAPOS Table.

Quality Video

The new leadership of your Kentucky High School Athletic Association wants there to be one word associated with every service we provide...QUALITY. That's why we've hired a professional video production company to handle the videotaping of our state championship events.

We tape these events due to the limited space available for schools and fans to tape contests and to eliminate the problems caused when many fans wish to tape the same contest, particularly in a crowded facility.

Our new video program will make it possible for you to obtain a Professional "Broadcast Quality" video tape at a reasonable price.

The special student or team that is responsible for your interest in high school athletics takes pride in the opportunity to compete in a state championship. We want to provide you with Quality memories that you can enjoy for years to come.

If you are interested in ordering a tape simply complete the form below and mail it to us.

MINUTES OF SPECIAL CALLED MEETING

The Board of Control of the Kentucky High School Athletic Association met in a Special Called Meeting on Monday, December 23, 1991, at the K.H.S.A.A. Office in Lexington, Kentucky. The meeting was called to order by President Alvis Johnson at 9:00 a.m. with all Board members present except Gene Brooks and Harry Jansing. Commissioner Billy Wise and Business Manager Julian Tackett were also present. The invocation was given by Julian Tackett.

The purpose of the meeting was to discuss the following items: Member Schools Dues, Regional Basketball Sites and the sale of the K.H.S.A.A. headquarters on Cooper Drive.

Commissioner Wise discussed the possibility of obtaining sponsorships for the Boys and Girls Basketball Tournaments, gave a status report on the new building including a move in date around the first of February, and the Association's need to recognize an additional $300,000 in receipts beginning with the 1992-93 fiscal year.

A lengthy discussion ensued regarding avenues to raise the needed revenue. Regarding the option of restructuring the member schools dues, Frank Cardwell made a motion that a new fee schedule be implemented for the 1992-93 school year and leave the billing procedure open. Claudia Hicks seconded the motion. Roland Williams moved to table the vote until the January meeting giving Board members an opportunity to discuss the matter within their regions and get feedback. Ray Story seconded the motion. The motion to table passed by a 5-4 vote. Following further discussion, Frank Cardwell made a motion to send the Board's recommended procedure for raising additional funds--that being to increase Membership Dues and provide multiple payments for such--to member schools and advise them that the plan will be implemented at the January meeting of the Board. Schools may call their respective Board member with input and recommend an alternate plan. Eddie Saylor seconded the motion. The motion passed by a vote of 6-2 with 2 abstentions.

The Regional Basketball Tournament Sites on the following page were recommended by Commissioner Wise:

There being no further business to come before the Board, Frank Cardwell moved for adjournment. Roland Williams seconded the motion which passed.

ENCROACHMENT PROCEDURES AMONG HIGH SCHOOL FOOTBALL RULES CHANGES

Beginning with the 1992 high school football season, encroachment restrictions will begin when the center places his hands on the football rather than when the center makes the final adjustment of the ball.

This was one of seven rules changes approved by the National Federation Football Rules Committee at its January 6-8 meeting in New Orleans, Louisiana.

Dick Schindler, assistant director of the National Federation and editor of the high school football rules, said although the encroachment procedure probably ranked as the most important rules change, the committee did not make any huge changes.

"We are extremely satisfied with the game of high school football as it is today, and that is reflected with only seven rules changes," Schindler said. "The committee is concerned with illegal contact and sportsmanship, and it addressed those concerns in the Points of Emphasis."

With encroachment restrictions previously beginning when the center made the final adjustment of the ball, Schindler said problems had surfaced in determining when the final adjustment occurred. Henceforth, centers will not be able to take their hands off the ball after placing them on the ball.

In a related change, the committee voted to prohibit linemen between the two ends from moving off the line after having placed their hands near the ground. This would be a false start.

Schindler said teams no longer will be able to re-huddle to change signals. "As a result of these changes, I think teams will send their linemen to the line of scrimmage before the center puts his hands on the ball."

The committee also addressed running the "fumblerooskie" or "guard around" made famous a number of years ago by the University of Nebraska. The rules group said teams may not play similar to the fumblerooskie, i.e., a planned loose ball, without first informing the referee prior to the play.

"This change was made so that officials will be prepared to properly call such a play," Schindler said. "If officials have no foreknowledge of the play, they would not be able to identify a planned loose ball."

In another rules change, if a player on the offensive or kicking team goes out of bounds prior to change of possession and returns, it becomes a foul at the time of his return. The illegal participation foul would be a 15-yard penalty.

Schindler noted, however, that if the player is pushed out of bounds and returns at the first opportunity, it would be a legal play. He said the intent of the change is to penalize players who intentionally go out of bounds to gain an advantage.

"We are extremely satisfied with the game of high school football as it is today, and that is reflected with only seven rules changes," Dick Schindler

Another option was given to the receiving team on a kickoff when the ball is kicked out of bounds. In addition to the options of a five-yard penalty and re-kick, or putting the ball in play at the in-bounds spot, teams also will have the choice of putting the ball in play 15 yards behind the receiving team's free-kick line, which would be the 35-yard line in most cases.

In a safety move, which is the No. 1 priority of all National Federation rules committees, the Football Rules Committee mandated that rib pads and back protectors, if worn, must be covered by a jersey. Schindler said exposed pads could cause injury.

The final change approved by the rules committee involves the official end of a period. Henceforth, when a period officially ends, any obvious errors in timing no longer may be corrected.

"The rules committee continued its strong stance towards safety and against illegal contact," Schindler said. "Other points of emphasis were pass interference and identifying eligible receivers."

In its continuing emphasis on sportsmanship, the committee passed a resolution recommending that the National Federation Sportsmanship, Ethics and Integrity Committee study the possibility of state associations adopting specific penalties for unsportsmanlike conduct the Football Rules Committee recommended that such policy for unsportsmanlike conduct cover all activity programs, not just football.
