LARRY CONLEY, ESPN ANALYST TO HEAD STATEWIDE CAMPAIGN

Heading the KHSAA Court of Support Campaign is Larry Conley, an Ashland, Ky., native and current ESPN basketball analyst. Conley was an all-state basketball player at Ashland High School and led the Tomcats to the 1961 KHSAA Sweet Sixteen Championship. He later starred at the University of Kentucky and was a member of the famed Rupp's Runts squad which finished as NCAA Runners-up in 1966.

He still maintains close ties to his eastern Kentucky roots, serving on the board of the Citizens National Bank in Paintsville.

Billy Wise, Commissioner of the KHSAA, remembers Larry as "...one of the grittiest players I ever saw. He truly was a great player and now is one of the finest sportscasters in the country. We are so very pleased to have him head the Court of Support Campaign."

Conley also hails from a prominent Kentucky sports family. His father George was a high school coach and an outstanding basketball official at the high school and college level. Conley's sister coached basketball at Ashland Paul Blazer High School.

"Kentucky High School athletics did a lot for me and my family, and I feel strongly about heading this most worthwhile project," Conley said. "I urge you to purchase a brick, or bricks, to honor the deserving recipient of your choice. It will mean so much to you, your friends, and most of all to the young people of Kentucky who will benefit."

MEMORIAL BRICKS ARE AVAILABLE TO HONOR PERSONS, TEAMS, OTHERS

The Kentucky High School Athletic Association Court of Support Campaign is a state-wide effort, offering to the people of Kentucky an opportunity to forever memorialize individuals or groups in this uniquely designed likeness of Kentucky.

The Court of Support, made up of 19,000 bricks, is located in front of the KHSAA's new building in Lexington, at the juncture of I-75 and US 60. When you purchase a brick it will be placed in the section of the state you choose and can recognize and memorialize a favorite coach, athlete, team, school, community, business or topic of your choice.

Bricks range in size and cost, from two lines of information on a 4 x 8 brick for $100, to three lines on a 6 x 8 brick for $300, to four lines on an 8 x 8 brick for $500. You also will receive a handsome certificate for display, which includes a likeness of your brick with your information on it.

Funds raised through the Court of Support Campaign will be used to retire the debt on the beautiful new structure, as well as provide money to develop a first class museum to honor school athletics in Kentucky in space dedicated for this purpose in the new building.

Your participation in this endeavor will provide a lasting memorial on one of the bricks of Support bricks. And it will provide significant financial support to the school sports programs and young people of Kentucky as the KHSAA enters its 77th year of service. Please send your order to: KHSAA Court of Support Campaign, 2280 Executive Drive, Lexington, Ky. 40505.

A Look Back At 1993
By Brooks Downing

What a year!
The past 12 months will go down in the annals as a year of great turmoil for the KHSAA. Just as the Association was about to regain its footing, one of the state's newspapers tagged on the infamous rug and rehashed the old financial setback that occurred due to the construction of the KHSAA's new headquarters.

And most people thought Michael Jordan's retirement was the biggest sports item to occur in 1993. They obviously didn't spend any time in high school athletics in Kentucky.

By mid-summer, the creation of a new committee by the State Board of Education was dominating the daily routines of the KHSAA staff. Meanwhile, the Board of Control was looking into new ways to refinance the Association's debt. It was as if the true idea of sports, the pureness of athletics at the high school level, had been lost in the restructuring, big business reformation of high school sports in the Bluegrass.

But the year was a great one for high school sports on the field of play. The ‘93 Sweet Sixteen turned out to be one of the best in history. Nearly 23,000 fans were on hand for the championship game as Marion County's third try against Paul Dunbar was finally successful. The Knights only two losses were to Dunbar during the regular season, but as all of metropolitan Springfield cheered on Tim Davis' team, Marion County became the first Fifth Region team to win the Sweet Sixteen.

The competition throughout the tournament was at a fever pitch, led by a strong final four of Marion County, Dunbar, PRP and Male. Jason Osborne, Darnell Burton, Anthony Epps and Danyell Macklin thrilled the crowd with spectacular plays.

But 1993 could have been called the Year of Youth. Woodford County's Joe Carr became the first eighth grader to ever win a state wrestling title. As the son of Woodford's assistant coach, and former UK wrestler Joe Sr., little Joe took home the title in the 103-pound weight class. Carr also propelled his Yellowjackets to the team title.

Yet, even eighth-graders can be outdone. Along came the 1993 Cross Country championships and youth dominated the girls' races. Anna Ryan, a seventh-grader running for Covington Scott, won the Class 2A trophy. The oldest winner of the day was Mindy Martin, a Walton-Verona freshman who captured the Class A title.

But with the best, and youngest, saved for last, the Class 3A title was won by Rachel Sanford, a 10-year-old fifth-grader who finished the 4,000-meter course in 14:59. Sanford, who attends Southern Elementary near Somerset, is in the "Class of 2001" at Southwestern Pulaski, the first-year high

Board Signs Loan For Debt Refinancing

**MINUTES**

**DECEMBER 3, 1993**

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn, Louisville, Kentucky on Friday, December 3, 1993. The meeting was called to order by President Ray Story at 8 a.m. with all Board members present. Also present were Commissioner Billy Wise, Exec. Asst. Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Business Manager Julian Tackett, SID Brooks Downing, Ken Tippett, Board Attorney Danny Reeves and State Dept. of Education representative Gary Faulkner. The invocation was given by Frank Cardwell.

Frank Welch made a motion, seconded by Claudia Hicks, that the Minutes of the Oct. 15, 1993 meeting of the Board be approved. The motion passed unanimously.

Ozz Jackson moved to approve the Minutes of the Nov. 22 Meeting of the East Eligibility Committee as corrected to show the athlete's name as Todd Jenkins. Cookie Henson seconded the motion which passed unanimously.

Jackson moved to approve the Minutes of the Nov. 22 Special Meeting of the Board. Frank Cardwell seconded the motion which passed unanimously.

Following a discussion of the Oct. 1 through Nov. 22 bills, Ken Cox made a motion to accept. Welch seconded the motion which passed unanimously. A discussion was then held regarding the 1993-94 Working Budget through Nov. 22. No action was taken.

Commissioner Wise discussed with the Board members an option to grant ticket purchasers to the Saturday 4A Football Playoffs $1.00 off the admission price if they presented a ticket stub from the Louisville vs. Michigan State Basketball Game to be played at Freedom Hall at noon. SID Brooks Downing offered to handle all arrangements. Grant Talbott made a motion to approve this request. Hicks seconded the motion which passed unanimously.

President Story called on Chairperson Welch for a report of the East Eligibility Committee. The Committee met on Dec. 2 to hear an appeal from Eddie Brown, a student at Whitley County High School. Welch made a motion, seconded by Jackson, that the Board accept a vote of approval of the East Eligibility Committee to waive By-Law 4(1) in the case of Eddie Brown, thereby allowing him to participate in interscholastic athletics immediately at Whitley County High School. The motion passed 11-1.

James Sexton, Chairperson of the West Eligibility Committee, gave his Committee's report of the appeal of LaTasha Hurst on December 2. Sexton made a motion that the Board approve the report of the West Eligibility Committee to waive By-Law 6, 1(a) and allow LaTasha Hurst to participate in interscholastic athletics at Southern High School for the 1993-94 basketball season. Cookie Henson seconded the motion which passed 11-1 following a discussion of this appeal.

President Story asked that it be noted that when the Board is to in full session, appeals will be heard by the full Board rather than the East and/or West Eligibility Committees.

Talbott, Chairperson of the All-Sports Committee, was called on for the next report. The All-Sports Committee made the following recommendations:

1) That the four-team format for the State Soccer Tournament be tabled until the January meeting;
2) That the request for a $2.50 increase in game fees for baseball umpires be deferred to a later date;
3) That medals be awarded to runners-up in team sports to the limit of the traveling parties. Grant Talbott made a motion that the All-Sports Committee's report be accepted. James Sexton seconded the motion which passed unanimously.

Stan Steidel, Chairperson of the Basketball Committee gave the following report:

1) Recommended that a survey be conducted by Board members to determine preferences for the district and regional basketball tournament officials and report findings at the January meeting;
2) Continue the officials rating experiment in the 6th & 7th Regions;
3) Continue realignment study and report at the January meeting;
4) Continue to consider until the January Board meeting a request from the Basketball Coaches' Association that an active coach serve as a non-voting member of the KHSAA Basketball Committee. The Board then accepted the Basketball Committee's report.

Chairperson Jackson, Football Committee, was then called on. He presented the following items:

1) Announced the appointment of the Football Advisory Committee and that the Committee will meet January 20; -3-

2) Postponed a request from Beth Haven High School to survey the schools in regard to offering 8-man football until reclassification realignment of the football schools has been finalized. Jackson made a motion, seconded by Cardwell, that the Board authorize staff to send a letter to Beth Haven advising them that their request was postponed. Motion passed unanimously.

President Story then called on Kathy Hopper, Chairperson of the Constitution & By-Laws Committee for a report. Due to the fact that By-Laws 4, 6 and 13 need to be considered, Hopper made a motion that any changes be discussed after the Blue Ribbon Commission Hearing. Henson seconded the motion which passed unanimously. Hopper then made a motion that the Board conduct a work session with Delegate Assembly members prior to the Annual Meeting. Henson seconded the motion which passed unanimously.

Commissioner Wise advised the Board he had met further with TeleCable of Lexington and recommended that the Board enter into a three-year contract to televise the Boys' State Basketball Tournament on a delayed basis. Cox moved to accept the Commissioner's recommendation. Talbott seconded the motion which passed unanimously.

Commissioner Wise then recommended to the Board that the contract of Ray Hornback be extended for 90 days due to the fact that it has taken more time than expected to obtain a Chairperson for the Court of Support Campaign, get the Committee organized and put together a video, etc. Following discussion and recommen-
dations for setting forth timetable expectations, Jackson moved to accept the Commissioner's recommendation to extend Ray Hornback's contract until March 31, 1994. Cardwell seconded the motion which passed unanimously.

Bob Rogers made several suggestions to expose the Hall of Fame Museum and Court of Support to school personnel and other groups around the State.

Commissioner Wise and Faulkner announced that the SBESE will take action on the Review at their Jan. 4-5 meeting, and recommended that the Staff take action on certain items because they must be addressed.

Commissioner Wise then requested approval to attend the National Federation Winter Meeting in Point Clear, Ala., on Jan. 6-10, 1994 along with Tackett who is a voting delegate at the Football Rules Meeting. Steidel moved to approve the Commissioner's request. Talbott seconded the motion which passed unanimously.

The following Basketball Tournament Report was given:

Boys' ticket sales through this date: $332,132
Girls' ticket sales through this date: $30,152

It was reported that the boys' ticket sales and the girls' ticket sales were behind last year's receipts. Tackett reported that a new Sports Committee has been formed in Louisville to promote the Football Playoffs and the 1994 Boys' Basketball Tournament. Also, the KHSAA has received a commitment from Bowling Green to give financial assistance in the amount of $10,000 to help with lodging and travel for the Girls' Basketball Tournament.

Faulkner reported to the Board on the Task Force Commission. He advised that the draft on Interscholastic Athletics was mailed to all schools, four public hearings were conducted and the Executive Summary was mailed to all Superintendents and 200 media outlets. He stated that a summary of the public hearings are to be mailed to the Board. He noted that some of his recommended changes may take statutory change while others will take regulatory change. Following a lengthy discussion between Faulkner and the Board, President Story advised that the draft is to be discussed further on Saturday.

President Story then called on Board members and Staff for any miscellaneous items.

Commissioner Wise advised the Board that three proposals have been submitted by member schools for consideration at the 1994 Delegate Assembly. Topics included are: a) each member school votes for each proposal; b) increase in number of preseason scrimmages; and c) coaching certification. These proposals will be submitted to the State Department and to legal counsel before placement on the Agenda to ensure compliance with state laws.

Hopper reminded Staff that all information pertaining to Committees, Appeals and regular Agenda items should be mailed ahead of the meeting date.

Following a lengthy discussion with regard to final approval of bond refinancing, President Story recessed the meeting until Saturday, December 4 at 8:00 a.m.

December 4, 1993

President Story reconvened the December meeting of the KHSAA Board of Control on Saturday, Dec. 4, 1993, at 8 a.m. with all Board members present. Also present were Commissioner Billy Wise, Exec. Asst. Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Business Manager Julian Tackett, SID Brooks Downing, Ken Tippett, Danny Reeves and John Wharton of Greenebaum Doll & McDonald, Gary Faulkner of the State Dept. of Education, Andy Hils and Bill Keller of Fifth Third Bank and Dirk Bedarff of Peck, Shaffer & Williams.

President Story began the meeting with a discussion of the refinancing of the Bond issue. Board members were given a copy of all documents pertaining to said refinancing for their review on Dec. 3. Story called on Tackett to discuss the issue at hand — that being the mechanic's lien filed by a contractor on the new office building and Hall of Fame Museum in April of 1993. He explained the situation would therefore necessitate monies being deposited with the refinancing party to secure this lien. Several possibilities were discussed for solving the problem. Tackett also explained there would be two closings on the loan — one now, a taxable loan, and a tax exempt loan to be closed around the middle of February.

Wharton of Greenebaum, Doll & McDonald was called on to answer specific questions regarding the wording in the loan documents. Hils of Fifth Third Bank, advised the Board members that some specific phrases were standard clauses in all loan documents.

President Story called on each Board member for comments on the revised documents. Rogers asked if the bank required a legal opinion and was advised they did not at this time but would require one at a later date.

Other items of concern expressed by the Board were pending litigation cases and the financial cost connected to the case in the event of a loss. Representatives of Fifth Third Bank expressed no concern regarding same.

Hopper asked about the Debt Service Reserve. President Story explained the need for $400,000 to be placed in escrow until the February loan closing, and then $280,000 to $300,000 to be placed in escrow to cover one year's payments.

Keller explained that the appraised value of the building is under the loan amount.

Steidel commented that the purpose of the loan is to combine obligations and all negotiations were in "good faith". The "Events of Default" which is an issue of concern of the Board is an important issue — but common language and will be a part of the document with any financial institution. Keller pointed out that the bank will be meeting with Tackett on a regular basis.

Commissioner Wise stated that it would be in everyone's best interest to try to resolve the lien problem by February.

Rogers noted that the Board did not ask for or obtain an actuarial analysis or a legal opinion of the new loan.

Cardwell made a motion, seconded by Jackson, that $95,000 in the restricted Court of Support brick sales and $7,551 in loan proceeds be deposited into an investment account at Fifth Third to secure the lien. The motion passed unanimously.

Talbott then made a motion that an investment account and a checking account be opened at Fifth Third Bank. Steidel seconded the motion which passed unanimously.
Refinancing
(continued from page 7)
Due to the fact there were changes made on the original documents typed on Dec. 3 and distributed for review, Talbott made a motion that President Story be allowed to initial the changed documents. Cox seconded the motion which passed unanimously.
President Story then called for recess at 10 a.m. in order for Board members to sign loan documents.
A blank amount existed on the Escrow Trust Agreement which would not be known until Monday, Dec. 6 due to the pricing of defeasance securities. Steidel moved to allow Commissioner to fill in amount and initial on the original document. Ken Cox seconded the motion which passed unanimously.
Hopper noted that at an earlier time she stated there was a blank in the original document and was advised that all blanks would be filled in.
President Story then called on Hornback for an update of the Court of Support Campaign.
Hornback gave an enthusiastic report of the campaign, and that the Court of Support is a good idea. He felt it needed more exposure across the State and thus the need for this statewide campaign. Hornback then explained the development of the video and it was previewed by the Board and Staff.
President Story called on Commissioner Wise to discuss the next Agenda item — a rebate program for the member schools. Commissioner Wise recommended that this item be deferred to the January meeting. Steidel felt it necessary that the Board go on record as supporting such a rebate plan and the Board's intention of positively reviewing such a plan whether it be in the form of a rebate to the member schools or a reduction in dues for the 1994-95 school year with final resolution at the January 1994 meeting.
President Story proceeded with the next item on the Agenda — discussion of the Draft of Interscholastic Athletics prepared by the Task Force Commission. Commissioner Wise then advised the Board members that he would be attending the Public Hearings of the Task Force Commission the week of Dec. 6-10 and would be happy to speak to any of the items if the Board so desired.
The Board then discussed particular items in the draft, but took no action.
Rogers made a motion to adjourn. Steidel seconded the motion which passed 9-2 with one abstention.
The meeting adjourned at noon.
Steidel moved for Executive Session to discuss personnel items. Talbott seconded the motion which passed.
Jackson made a motion for return to Open Session. Hicks seconded the motion which passed. No action was taken in Executive Session.

Year-In-Review
(continued from page 3)
school that she represented.
And Sanford's adulation didn't stop with just the state's media. She appeared in Sports Illustrated's weekly "Faces In The Crowd" segment, which highlights amateur sports.
Football was never more exciting than in Danville this past year, where the Sam Harp coached Admirals guided his team to second place on the state's all-time consecutive win list with 42 straight victories. But Danville wanted the prize of a third consecutive state title, a prize that slipped from its grip when the Prestonsburg Blackcats rolled into town and left with a thrilling 16-15 double-overtime victory in the state semifinals.
The year closed out on a sour note. Another "Hard Copy" report on transfers and eligibility by a state newspaper that thrust the KHSAA and its rules back onto the front page. But, as 1994 quickly approached, it marked the beginning of a new year for the Association, now in its 77th season of creation.
Let's hope this year is more exciting on the playing field, and less exciting off. Happy New Year!

New NCAA Eligibility Rules Effective 1995

The following is a guide for coaches and counselors to use to certify that their student-athletes are on course to meet eligibility standards for collegiate competition. Effective Aug. 1, 1995, to be considered a qualifier at a Division I institution and to be eligible for financial aid, practice and competition during the first year, the student must:

1. Graduate from high school,
2. Present a minimum combined test score on the SAT verbal and math sections or a minimum composite score on the ACT as indicated on the index scale below:

*Please note that student-athletes entering a Division I institution on or after Aug. 1, 1996 must present four years of English and the two-year requirement in mathematics must involve one year of algebra and one year of geometry.

To be a qualifier at a Division II institution you must:

1. Graduate from high school,
2. Present a minimum grade point average of 2.0 in at least 13 core courses in the same areas noted above,
3. Present a minimum 700 combined score on the SAT verbal and math sections or a minimum composite score of 17 on the ACT test.

NCAA Rules For Summer Athletic Camp Funding

Recently there has been some discussion among college football coaches regarding high school students receiving funding to attend football camps during the summer.

The main issue has related to the raising of money by high school booster clubs or high school coaches for their student-athletes to attend camps on college campuses. The possibility certainly exists that funds are being raised from alumni of colleges and universities that may actually be recruiting these student-athletes.

There are NCAA regulations governing "representatives of athletic interests" and their involvement with high school booster clubs with this kind of situation.

The applicable rules come in the NCAA Manual under Precollege Expenses (13.16). One rule entitled "Involvement by Local Representatives of Institution's Athletics Interests" (13.16.1.2.1) reads as follows: "A representative of an institution's athletics interests may provide funding to benefit a high school athletics program located in the community in which the athletics representative resides, provided:
   (a) The representative acts independently of the institution;
   (b) The funds are distributed through channels established by the high school or the organization conducting the fund-raising activity;
   (c) The funds are not earmarked directly for a specific prospective student-athlete.

Again, these are NCAA regulations and not high school athletic association rules, but they are important to note for high school athletes.

Few Rules Changes For '94 Football

KANSAS CITY, Mo. - Beginning with the 1994 season, high school football players will be able to play with casts/splints or other hard substances on the hand, wrist, forearm or elbow, as long as the substance is covered with approved materials to protect the injury as directed by a licensed medical physician.

At its Jan. 7-9 meeting in Point Clear, Ala., the National Federation Football Rules Committee voted to allow hard, abrasive or unyielding substances on the hand, wrist, forearm or elbow if the substance is covered on all exterior surfaces with no less than 1/2 inch-thick, high-density, closed-cell polyurethane, or a material of the same minimum thickness and similar physical properties.

In addition, a licensed medical physician must approve in writing any playing cast or splint, and the document must be available for the contest officials to verify that the hard material is properly padded according to the guidelines.

The committee had the benefit of data from the NCAA, which has allowed casts with proper padding for 10 years, as well as from six state associations, including Kentucky, that experimented with the basics of this rule last season.

As a follow-up to last year's discussion of a ban on adhesive, sticky or tacky gloves, which was delayed until the 1994 season to allow development of a test standard, the Football Rules Committee voted that the gloves designed for athletic competition shall have an interior label securely attached or an interior stamp indicating voluntary compliance with test specifications on file with the Sporting Goods Manufacturers Association as of Jan. 1, 1994.

At last year's meeting, the rules committee voted to prohibit the use of sticky or tacky gloves; however, that ban later was delayed until the 1994 season because of a timing concern for manufacturers, dealers and schools. In the interim, the SGMA coordinated the development of test standards, and gloves designed for athletic competition worn in the 1994 season must meet the standards.

The rule limiting manufacturer's logo/trade names to 1.5 inches by 1.5 inches square on a player's pants and jersey has been delayed two years. This rule now will affect jerseys and pants manufactured after Jan. 1, 1996, rather than Jan. 1, 1994. The question of whether to allow manufacturer's washing labels on the exterior of a uniform was referred to a joint National Federation/NCAA football committee.

Sportmanship was the emphasis of two rules changes. Beginning next year, any substitute who leaves the team box and enters the playing field during a fight shall be ejected.

The committee also added taunting to the baffling rule and noted that any delayed, excessive or prolonged act by which a player attempts to focus attention upon himself shall be penalized as unsportsmanlike conduct.

The rules committee voted to allow officials to take a time-out in the case of extreme heat or humidity when there is a health risk for the players. Dick Schindler said this has been done for several years, but this change will give rule support for officials to call time-outs in these instances.

Tennis Looks To Eliminate State Tourney Byes

December 14, 1993

The State Tennis Committee met on Tuesday, Dec. 14, 1993, at the Kentucky High School Athletic Association Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Cliff Richardson, Jerry Johns, Terry Johnson, David Compton, Joe Kroh, Kathy Johnston, Jane Prince and Robert Hardin.

The first item on the agenda was a discussion of regional tournament sites. Written requests submitted to date by schools wanting to host regional tournaments were given consideration by the committee. They included requests from Lloyd Memorial, Apollo, and St. Xavier. DeVries will solicit further information on all regional sites. The dates of the Regional Tournaments are listed on the school calendar as the week of May 16, 1994.

The committee reviewed the regional information and made an addition regarding the Coaching During Play regulation on the Regional Information sheet. The committee recommended that the wording be changed to read "Barring injury, the coach MAY NOT enter the court enclosure. Coaching MUST be done from OUTSIDE the fencing." And that it should also be noted that "Parents may not talk to players during split-set rest periods."

The next item on the agenda was a discussion and evaluation of the State Tennis Tournament. The committee reviewed the state information and made a few changes. It was pointed out that coaches need to communicate with the Seeding Committee prior to their meeting in case of a conflict with graduation, as it is impossible to change the times for play once the seeds have been made.

Johnston requested that a player's "Year in School" be added to the program for 1994.

Richardson suggested that the committee look at eliminating the byes in State Tournament play. DeVries appointed Richardson and Kroh to serve on a State Format Sub-Committee to study the possibility of eliminating byes in future tournaments. It was suggested the subcommittee present their report after the 1994 State Tournament.

Joe Kroh advised the Committee that in all probability there will be no Prince All-American Selections this year due to internal problems. Both Love will serve again as Chairman of the 1994 Tennis Coaches Association All-State Committee.

DeVries reviewed the Constitution and By-Laws with regard to the Limitation of Seasons. It was noted that regular season play ends on the Saturday preceding regional tournament play. Committee members asked for a clarification regarding the start of the practice season.

The next item on the agenda was a discussion of the K.H.S.A.A. Tennis Regulations. The committee felt that these regulations were very helpful to tennis coaches, and encouraged schools to use a standard format in scheduling matches.

Prince announced that plans were being made for an Invitational Singles Tournament to be held in the spring in Owensboro. Information will be forthcoming to all schools. Rob Hardin asked that Ryle be added to the Boys' and Girls' Tennis Regions.

There being no further business the meeting was adjourned.

KAPOS Sets '94 Tournament Guidelines

Participating cheerleader and cheerleading coaches registration: all cheerleading squads and/or coaches are asked to stop by the Kentucky Association of Pep Organization Sponsors table to:
1. Register your squad.
2. Pick up important information and materials for your squad.

Along with a KAPOS Board member, there will be high school cheerleaders to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn, they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: We remind all cheerleaders and coaches that you are cordially invited to have refreshments, socialize with friends, exchange ideas and perhaps get help with your problems at our hospitality room.

Attention Principals. If your team will be participating in the Sweet 16, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleading coach. We request your cheerleaders be chaperoned by a well-qualified, school-approved adult. Verification of this, along with your cheerleading coach’s name, must be reported in the letter of confirmation which you will receive. This letter must be in the hands of the KAPOS officer prior to the time your cheerleaders take the floor.

Important: Please be sure your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners will be determined by use of a KAPOS Judging Sheet — a copy appears in the KAPOS Handbook.

Awarding Trophies
KAPOS is pleased to honor outstanding cheerleading squads with recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleading squad in the Boys’ Sweet 16 will receive the Ted Sanford Trophy; the Girls’ Sweet 16 winner will receive the Tom Mills Award. The runner-up cheerleading squads will receive a trophy, with third- and fourth-place squads receiving plaques. In addition, the Special K-Pep Award will be presented. All tournament cheerleading squads and their coaches are asked to be located close to the playing floor so they can easily come on the floor should they win an award.

Sportsmanship Month
While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We do not believe good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the tournament and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Brereton Jones. The Governor’s proclamation is on display at the KAPOS table. Remember, Be A Sport!

State-At-Large Champions
Recognition is annually given to the cheerleading squads other than those 16 fortunate enough to participate with their teams in the State Tournament. The winner will receive the Stan Meyer Trophy, while the runner-up will receive the KAPOPS President’s Trophy. Plaques will be given to the third- and fourth-place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the girls’ varsity winner and runner-up and the boys’ varsity winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Girls’ State-At-Large winners will take place at 8:30 a.m., Saturday, March 19, at Greenwood High School in Bowling Green. Judging for the Boys’ State-At-Large winners will take place at 8:30 a.m., Saturday, March 26, at the Louisville Gardens. The public is invited to these outstanding events. The admission charge of $4 will go toward the expenses of the KAPOS scholarship award — details are supplied below.

At the conclusion of the judging, trophies will be awarded to the top squads in addition to several special awards.

Notes To Administrators
Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effective.

Again, we need judges and personnel help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS Board is seeking your understanding and cooperation should you be asked to release a teacher from his or her duties to help carry on the work KAPOS is doing to make cheerleading a worthwhile educational experience in the state of Kentucky.

Stella S. Gilb Scholarship
KAPOS is happy to annually award the Stella S. Gilb Scholarship to outstanding cheerleaders from Kentucky. In 1993, KAPOS awarded ten $500 scholarships to well-deserving cheerleaders. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 30. Contact a KAPOS Board member or officer for application forms or pick them up at the State Tournament KAPOS table.

Winning Isn’t Everything

Most school athletic programs in the United States seem to have forgotten, not whether you win or lose, it’s how you play the game.

Competitive sports are an important part of school. So important, in fact, that they are often referred to as “co-curricular,” in words, athletics are so closely linked to the sport that it’s not uncommon for schools to triple the number of students in an esport program. But it’s all the more reason the methods, lessons and philosophies of contemporary sports programs should be examined.

Things are getting out of hand, and a nutshell, students in kindergarten through twelfth grade are ports professionals — they should not be as such. Winning is essential for professional athletes, but not always necessary to get them to play during the last minute of the game.

Winning is wonderful, here’s nothing wrong with winning, but if you don’t win every time that is played. Butting shouldn’t be the lesson of school or the only message athletic programs give students. It’s we remind ourselves — and our students — that all sports trophies gather is dust. It’s the other lessons of school sports that stay with a student for a lifetime and make winners of all student-athletes.

Lesson No. 1: How to win and lose, throughout life, everyone must deal with success and failure, and the early training many students receive through school sports affects how they accept and react to good and bad events as adults. If winning constantly is flaunted — if defeat is always someone’s fault — then school athletics are a poor training ground for helping kids develop sound reactions to all types of success and failure.

Lesson No. 2: How to compete. Most individuals and teams enter contests hoping to win; what they should learn is how to put forth their best efforts. Teaching students to make and effort gives them a competitive edge for life’s later “contests.”

Lesson No. 3: How to cooperate. In the game is in the high school gymnasium or on television. Participation in sports and fitness programs, especially beginning in elementary school, can help kids establish a pattern of good physical fitness habits for life.

Lesson No. 4: How to participate. Too often, people sit and watch — whether any team sport, individuals not only need to be the best they can be, but they also need to know how to work together successfully. Learning cooperation is the first step toward understanding that group effort often is necessary to achieve productivity and success as adults.

It’s time we remind ourselves — and our students — that all sports trophies gather is dust. It’s the other lessons of school sports that stay with a student for a lifetime and make winners of all student-athletes.

“Winning” is not the only lesson that can be learned from sports. It’s the lessons that often go unnoticed that are the real winners of the game.

It’s time we remember the lessons that sports can teach us, and how they can influence our lives. Winning is important, but it’s not the only thing that matters.

We must take his words to heart.

Thanks To Girls, Sports Participation Rising

KANSAS CITY, Mo. — Thanks to a large increase in girls’ sports programs, participation in high school athletics increased for the fourth straight year (and eight of the past nine years) in 1992-93, according to the annual sports participation survey conducted by the National Federation.

The National Federation has compiled the survey since 1971 based on figures from the 51 state high school athletic/activity associations that are members of the National Federation. The 1992-93 sports participation total of 5,413,878 is up 43,224 from the previous year and is the highest mark since 5,663,912 in 1978-79. The total is composed of 3,416,389 boys, down 13,464 from 1991-92, and 1,997,489 girls, up 56,688 from the previous year. The girls’ total is the second highest ever and only 85,000 off the all-time record of 2,083,040 in 1977-78.

“These figures are very encouraging given the budget problems that are occurring in high schools nationwide,” said Robert F. Kanaby, executive director of the National Federation. “It is obvious that the interest in high school athletic programs continues to remain very high amongst our student population and that schools are finding new and unique ways to provide opportunities for participation.”

Participation in high school athletic programs hit an all-time high of 6,450,482 in 1977-78, which was the height of high enrollments in high schools nationwide resulting from the “baby boom” generation of the late 1950s and early 1960s.

With the exception of a slight decrease from 1987-88 to 1988-89, participation has risen each year since the 1984-85 year. The 1984-85 totals stopped a six-year downward spiral in which participation dropped five years.

Increases in volleyball and soccer accounted for a large part of the rise in girls’ participation totals. Volleyball participation was up 19,107, and soccer added an additional 13,751 participants from the previous year. Other notable increases for girls were track and field (7,759), basketball (5,974) and cross country (5,812).

Soccer is now the fifth-most popular sport for girls, supplanting tennis, which dropped to sixth after a decrease of 2,500 participants. Girls’ soccer participation has increased from 23,475 in 1979 to 149,053 this past year and has moved from No. 12 to No. 5 in popularity.

The only other change in girls’ top-10 sports was slow-pitch softball moving from No. 11 to No. 10, trading places with golf, which declined by 4,099 participants.

Basketball remains the most popular girls’ sport with 397,586 participants, followed by outdoor track and field (334,942), volleyball (313,055), fast-pitch softball (225,638), soccer (149,053), tennis (136,919), cross country (116,221), swimming (93,545), field hockey (51,082) and slow-pitch softball (42,884).

Soccer also registered the top increase in school sponsorship among girls’ sports with an additional 311 schools sponsoring the sport in 1992-93. Other girls’ sports that recorded jumps in school sponsorship were golf (264), cross country (149), volleyball (142), fast-pitch softball (142), outdoor track and field (120), tennis (54) and basketball (34).

Boys’ participation dropped slightly, with only three of the top-10 sports registering increases. Basketball, soccer and cross country had more participants on the boys’ side in 1992-93, with the other seven sports experiencing decreases.

Interest in boys’ soccer continues to parallel growth in girls’ competition. Soccer is the fifth-most popular sport for boys with 242,095 participants. In 1979, boys’ soccer had 132,073 participants and ranked eighth nationally. In 13 years, participation has increased 110,000, and the sport has moved past tennis, cross country and wrestling in popularity.

Cross country also had a big gain with 5,417 additional participants for a 1992-93 total of 159,536. Basketball was the other boys’ sport that gained participants from the previous year, adding 2,896.

Despite a decrease of 2,438 participants, football remains the most popular sport for boys with 910,407 participants. Basketball is a distant second with 521,023, followed by baseball (430,401), outdoor track and field (412,638), soccer (242,095) wrestling (222,025), cross country (159,536), tennis (138,177), golf (129,001), and swimming (78,474).

In terms of school sponsorship, however, nine of the top 10 boys’ sports registered increases, topped by golf with 231 additional schools. Others with large increases in school sponsorship were tennis (156) and soccer (112).

In the listing of participants by state, Texas remains No. 1 with 528,476, followed by California (462,107), New York (296,440), Ohio (277,191), Michigan (261,460), Pennsylvania (211,800), Illinois (195,423), New Jersey (188,147), Wisconsin (157,406) and Florida (150,287).

The 1992-93 sports participation survey is printed in the 1993-94 National Federation Handbook, which is available from the National Federation, 11724 NW Plaza Circle, Kansas City, MO 64195-0626.

Nicholas County’s Tina Fryman defends as Warren East’s Alison Smith looked for help during the ‘93 Sweet Sixteen final. Girls’ basketball is the most popular sport in Kentucky, with over 6,000 participants.
