Board Selects Lexington As Site of Boys' Sweet 16 From 1996 thru 1999

KHSAA Staff Surveying Schools For New Sports Offerings

The Games End But Lessons Last Forever

Regional Managers/Sites For All Spring Sports

Open Dates
LARRY CONLEY, ESPN ANALYST, TO HEAD STATEWIDE CAMPAIGN

Heading the KHSAA Court of Support Campaign is Larry Conley, an Ashland, Ky., native and current ESPN basketball analyst. Conley was an all-state basketball player at Ashland High School and led the Tomcats to the 1961 KHSAA Sweet Sixteen Championship. He later starred at the University of Kentucky and was a member of the famed Rupp's Runts squad which finished as NCAA Runners-up in 1966.

He still maintains close ties to his eastern Kentucky roots, serving on the board of the Citizens National Bank in Paintsville.

Billy Wise, Commissioner of the KHSAA, remembers Larry as "...one of the grittiest players I ever saw. He truly was a great player and now is one of the finest sportscasters in the country. We are so very pleased to have him head the Court of Support Campaign."

Conley also hails from a prominent Kentucky sports family. His father George was a high school coach and an outstanding basketball official at the high school and college level. Conley's sister coached basketball at Ashland Paul Blazer High School.

"Kentucky High School athletics did a lot for me and my family, and I feel strongly about heading this most worthwhile project," Conley said. "I urge you to purchase a brick, or bricks, to honor the deserving recipient of your choice. It will mean so much to you, your friends, and most of all to the young people of Kentucky who will benefit."

MEMORIAL BRICKS ARE AVAILABLE TO HONOR PERSONS, TEAMS, OTHERS

The Kentucky High School Athletic Association Court of Support Campaign is a state-wide effort, offering to the people of Kentucky an opportunity to forever memorialize individuals or groups in this uniquely designed likeness of Kentucky.

The Court of Support, made up of 19,000 bricks, is located in front of the KHSAA's new building in Lexington, at the juncture of 1-75 and US 60. When you purchase a brick it will be placed in the section of the state you choose and can recognize and memorialize a favorite coach, athlete, team, school, community, business or topic of your choice.

Bricks range in size and cost, from two lines of information on a 4 x 8 brick for $100, to three lines on a 6 x 8 brick for $300, to four lines on an 8 x 8 brick for $500. You also will receive a handsome certificate for display, which includes a likeness of your brick with your information on it.

Funds raised through the Court of Support Campaign will be used to retire the debt on the beautiful new structure, as well as provide seed money to develop a first class museum of high school athletics in Kentucky in space designated for this purpose in the new building.

Your participation in this endeavor will provide a lasting memorial on one of the Court of Support bricks. And it will provide significant financial support to the schools and young people of Kentucky as the KHSAA enters its 77th year of service. Please send your order to: KHSAA Court of Support Campaign, 2280 Executive Drive, Lexington, Ky. 40503.

Board Picks Lexington For Boys' Tournament

From Staff Report

LEXINGTON, Ky. — The Boys' Sweet Sixteen Basketball Tournament will finish out the 20th Century in Lexington's Rupp Arena, the Kentucky High School Athletic Association's Board of Control decided at its annual spring meeting held April 21-22 at the KHSAA headquarters. The tournament, which is already under contract to be held next March in Lexington, will remain at Rupp Arena from 1996 through 1999.

Representatives of both cities, including officials of each convention and visitor's bureau and both Rupp Arena and the Kentucky Fair and Exposition Center, were on hand to present their proposals to the 12-member governing body of high school athletics.

The tournament had been rotating between Lexington and Louisville since 1988, but due to a 33 percent decline in attendance at Freedom Hall, the Board, in a vote of 10-2, decided to award the tournament to Lexington. Voting against the motion were Louisville principals Kathy Hopper of Waggener and James Sexton of Eastern.

The KHSAA finished nearly $260,000 short of its budget for ticket sales at the recently completed state tournament in Louisville. The Association had budgeted $960,000 for the '94 tournament, but even the efforts of Louisville mayor Jerry Abramson and his Greater Louisville Sports Association failed to produce ticket sales.

The tournament drew just 79,616 in paid attendance, well under the disastrous 86,962 in 1992, which was also in Louisville. In comparison, Lexington saw a paid attendance of 115,720 in 1993 and 120,347 in 1991. The tournament was last held on a consecutive-year basis from 1981-87 at Rupp Arena. And the Boys' Sweet Sixteen saw its greatest success in Rupp Arena in 1987, when a total attendance of 140,266 came through the turnstiles.

Commissioner Search

Board President Ray Story also announced at the meeting that he had received 12 applications for the commissioner's job with one person withdrawing his application, leaving 11. The Board will announce sometime around the first of May the finalists it plans on interviewing next month. Story said the Board hopes to announce the new commissioner by June 1, 1994.

Other Highlights

The Board also approved Franklin-Simpson's request (please see, Strategic, Page 8)

May/June 1994
Staff To Survey Schools On New Sports

MINUTES

MARCH 17, 1994

The Board of Control of the Kentucky High School Athletic Association met at the Ramada Inn in Bowling Green, Ky. on Thursday, March 17, 1994. The meeting was called to order at 8:10 a.m. by President Ray Story with all Board members present except Ken Cox. Also present were Commissioner Billy Wise, Assistant Commissioners Louis Stout, Brigid DeVries and Larry Boucher, Business Affairs Manager Julian Tackett and Board Attorney Danny Reeves. Gary Faulkner was present from the State Department of Education. Bob Rogers gave the Invocation.

President Story introduced Mr. Darrell Treece, Principal of Henry County High School, the newly elected Board member who will represent Regions 7 and 8.

Frank Welch made a motion to approve the minutes of the January 23-24, 1994 Board meeting. Cookie Henson seconded the motion which passed unanimously.

After amending the minutes of the Feb. 24, 1994 meeting to read that Randy Kimbrough and Gary Faulkner from the State Department of Education were in attendance, Stan Steidel made a motion to approve the minutes of said meeting. Claudia Hicks seconded the motion, which passed unanimously.

Ozz Jackson made a motion to approve the bills of the Association for the period beginning Jan. 1 and ending Feb. 28, 1994. Frank Welch seconded the motion which passed unanimously. A discussion ensued regarding the 1993-94 Working Budget as of Feb. 28, 1994. Following questions regarding brick sales, anticipated interest receipts and Dr. Hornback's contract, Jackson made a motion to accept the Budget update. Grant Talbott seconded the motion which passed.

President Story called on Commissioner Wise to discuss the next item on the Agenda — an amendment to the KHSAA Constitution brought about by a recommendation of the State Department of Education's Task Force on Interscholastic Athletics. The new amendment, 702 KAR 7:065, sets forth the designation of an agent to manage high school interscholastic athletics. Following comments by the Board members, staff, Faulkner and Reeves, Frank Cardwell made a motion that the Board send a referendum to the member schools for approval of the KHSAA Constitution amendment which in effect will allow the KHSAA to continue as the designated agent to manage interscholastic athletics. Frank Welch seconded the motion. Rogers then moved to amend the original motion to wait until after the May 4 meeting of the SBESE to send the referendum to the schools. Kathy Hopper seconded the motion to amend. The motion to amend passed 8-2 with 1 abstention. The original motion then passed as amended by a vote of 6-2 with 1 abstention.

President Story called on Commissioner Wise to relate the situation concerning representatives from Brown School appearing before the Board to answer questions regarding violations of the State Swimming Meet regulations. Present for the hearing were Principal Lennie Hay, Ath. Dir. Sharon Leezer and Swimming Coach Lauri Wade. Following Ms. Hay's presentation and questions to the group from the Board, Hopper made a motion, seconded by James Sexton, that since corrective action was taken by Brown School, no further action be taken by the Board against Brown. The motion passed unanimously.

Commissioner Wise then advised the Board members of an item of concern expressed by the Task Force — the sponsorship of new sports offered by the National Federation and the continuance of existing sports. The proposed policy was then discussed as recommended by the Commissioner:

1) SANCTIONING A SPORT - The KHSAA shall sanction any sports offering for which the National Federation adopts a rules code, or approves a code written by an outside entity. Such sanctioning shall allow students to participate in these sports as long as they are compliant with all applicable KHSAA bylaws regarding student eligibility.

2) SPONSORING A CHAMPIONSHIP - The KHSAA shall sponsor a championship in a new sport offering for which a championship is not currently being held if a survey of the membership yields a twenty percent (20%) favorable response of the total number of member schools. In order to continue an existing offering, fifteen percent (15%) of the membership must field a team (or group of individuals as applicable) and desire to participate in postseason championships.

3) METHOD OF DETERMINING INTEREST - The KHSAA shall survey its membership during the 1993-94 school year, and every three years thereafter to measure desire for a new offering. The KHSAA Limitation of Seasons shall not address a specific sport unless and until it meets the desired participation threshold to allow for the maximum opportunity to expose the sport to growth.

Steidel made a motion, seconded by Hicks, that the staff send a survey to schools regarding the above recommendation. The motion passed unanimously.

A discussion of the Hall of Fame Selection Criteria and Procedure was the next item on the Agenda. The recommended criteria is as follows:

1) Limit the number of inductees to 18 for 1995, then reduce the number of inductees by one each year thereafter until the maximum number of 12 is reached;

2) One nominee from each section and 14 at-large nominees may be inducted;

3) Five inductees must be either deceased or 65 years of age or older;

4) Active coaches must be 60 years of age or older; inactive coaches under the age of 60 must have been inactive for three years to qualify;

5) Players/participants must be out of high school 10 years.

Cardwell made a motion to accept the Commissioner's recommendation. Hicks seconded the motion which passed unanimously.

President Story called for a recess until 8:00 a.m. CT on Friday, March 18. The meeting was recessed at noon.

March 18

President Story reconvened the meeting of the KHSAA Board of Control at 8:05 a.m. CT on Friday, March
18. Those present at the meeting were the same as on Thursday.

Bus Affairs Tackett discussed with the Board responses to a survey which was mailed to all member schools regarding insurance coverage for all athletes. Following the Board's discussion of their concerns, President Story made a motion that staff bring a proposal to the April meeting which will insure that athletes are covered by insurance up to the catastrophic deductible, and that counsel be consulted for proper wording of such. Talbott seconded the motion which passed 9-2.

The following Basketball Ticket Sales Report was then given: boys' ticket sales through this date -- $423,000; girls ticket sales -- $33,000.00. The sale of tickets to the boys' tournament is down $140,000 from the same period in 1993.

Commissioner Wise announced the results of the recent election for new Board of Control members.

Regions 5 & 6:
Tasso Harris, Valley - 15 votes
Ken Frick, Butler - 13 votes
Regions 7 & 8:
Darrell Treece, Henry County - 14 votes
James Sexton, Eastern - 12 votes
George Unseld, Jefferson County Schools - 7 votes

Commissioner Wise advised the Board that he received a letter of protest from Sexton challenging the validity of the election in Regions 7 & 8. Following a lengthy discussion on the matter, President Story called for a special meeting to be held on Wednesday, March 23rd at 9 a.m. for the purpose of a Due Process Hearing and asked that the Commissioner distribute all correspondence and other materials pertaining to the case to the Board members as soon as possible for their review.

Asst. Comm. Boucher discussed the criteria for the Board of Control Training Program. Following a discussion of the outline prepared by Boucher and Hopper, President Story directed them to obtain financial costs involved and bring a report back to the April Meeting.

President Story announced times for the following committee meetings: Executive Committee - Thursday, March 24, 9:00 a.m.; All-Sports Committee - Friday, March 25, 9:00 a.m.; Basketball Committee - Friday, March 25, 10:00 a.m.

Commissioner Wise presented a request from Vesper Singleton asking that the Board waive the requirement of counting the Mountain Basketball Classic Tournament as a game against the maximum number of games. Grant Talbott made a motion, seconded by Frank Cardwell that Singleton's request be denied. The motion passed 9-2.

Following a discussion of scheduling the Regional Wrestling Tournament, President Story assigned this matter to the All-Sports Committee.

Commissioner Wise asked the Board to reschedule their election of officers for 1994-95 from the July meeting to the April meeting. His request is based on the fact that outgoing Board members could be recognized at the April meeting and would not be required to attend the July meeting since their terms end prior to that meeting.

The next regular meeting of the Board shall be held on Thursday, April 21, 1994, at the Association Headquarters.

Miscellaneous items discussed dealt with an update on legal cases, realignment of soccer districts, information on the girls' basketball tournament activities, Hall of Fame nominees and the effect of longer school terms on summer sports programs due to the weather. Following a discussion on the latter, Steidel made a motion that due to the weather emergency, the Board waive Bylaw 25 and allow schools to use the last day of school on the original calendar for athletes who wished to participate in basketball and football summer programs. Talbott seconded the motion which passed unanimously.

Commissioner Wise advised the Board that inquiries were being made to rent the Hall of Fame Museum area for various activities. The Board directed him to proceed with negotiations.

It was announced that the National Federation Summer Meeting will be held in Palm Springs, Calif. Boucher has been asked to speak at one of the workshops. President Story requested that a plan for future administrative travel be submitted to the Board for consideration.

President Story made a motion to extend Dr. Ray Hornback's contract through April 1994 due to the fact he was ill in January and did not submit a voucher. Talbott seconded the motion which passed 10-1.

There being no further business to come before the Board, Welch made a motion to adjourn. Henson seconded the motion which passed. The meeting adjourned at 11 a.m.
Board Of Control Member Appeals Election

MINUTES

MARCH 23, 1994
The Kentucky High School Athletic Association's Board of Control met in Special Session on Wednesday, March 23, 1994 at the Executive Inn in Louisville. All Board members, with the exception of Ken Cox, were present. Commissioner Billy Wise, Exec. Asst. Commissioner Louis Stuart, Asst. Comm. Brigid Devries and Larry Boucher, Bus. Affairs Mgr. Julian Tackett, Board Attorney Danny Reeves, Mike Luscher, representing the State Department of Education, newly elected Board member Darrell Treece and George Unsel were also in attendance.

President Ray Story called the meeting to order at 9:10 a.m.
The meeting was called for the purpose of hearing an appeal from James Sexton concerning the recent election to fill the impending vacancy in Regions 7 & 8.

Following brief introductory remarks, President Story called on Sexton to explain his appeal and offer any evidence he wished to have the Board consider. Sexton distributed a sheet outlining the points of his appeal and addressed the two issues presented for the Board's consideration: 1) whether the recent election should be set aside because the ballot distributed for voting contained an ineligible candidate; and 2) whether the Commissioner's ruling was erroneous regarding his March 16, 1994 letter to Sexton holding both Sexton and Unsel to have been improperly included on the ballot.

Following Sexton's presentation, Story called on Treece and Unsel for their comments. Commissioner Wise then advised the Board of the events preceding the distribution of ballots to Board Appointed Representatives in Regions 7 & 8.

Following comments and questions to Sexton by the Board and Reeves, Claudia Hicks made a motion to go into Closed Session to discuss the case. Cookie Henson seconded the motion, which passed. Following a lengthy discussion, Claudia Hicks made a motion to uphold the Commissioner's ruling that George Unsel and James Sexton were invalid (ineligible) candidates under the KHSAA Constitution. Bob Rogers seconded the motion, which passed with 10 members voting in favor of the motion and 1 absent (James Sexton). Next Ozz Jackson made a motion that, although there were invalid (ineligible) candidates on the ballot, the Board should certify the election because there was only one remaining valid candidate did receive a sufficient number of votes to become elected to the position. St. Steidel seconded the motion which passed unanimously. Upon returning to Open Session, Board Attorney Reeves advised Sexton the Board's decision.

Mr. Story then announced that the Executive Committee will meet at 9:00 a.m. on Thursday, March 24, the Basketball Committee at 8:30 a.m. on Friday, March 25, and the All-Sports Committee at 9 a.m. on Friday, the 25th. There being no further business to come before the Board, Jackson moved for adjournment. Henson seconded the motion which passed unanimously.

The meeting was adjourned at 10:30 a.m.

Strategic Plan Approved

(From Page 3)
to move from District 14 to District 13 in baseball and basketball. The move will eliminate a three-team district in basketball, District 13, consisting of Muhlenburg North, Muhlenburg South and Butler County.

Also, the Board elected Frank Cardwell, principal at Franklin-Simpson High School, as its president for the 1994-95 school year and Arthur "Ozz" Jackson, athletic director at Whitesburg High School, as its vice president for next year. Cardwell, who will be serving the last year of his four-year term, served as vice president this year. The two will take over in their elected capacity at the July meeting.

The Board approved a Strategic Plan for the 1994-95 school year which will be sent to the State Board for Elementary and Secondary Education for final approval. Four objectives constitute the plan and they are as follows:

Objective 1 - Continue to educate schools as to rules and practical means of enforcement to ensure self regulation by membership and the integrity of the organization.

Objective 2 - Continue education effort among corporate community and general public as to need for self governance by membership and awareness of the Association's operations, functions and activities.

Objective 3 - Continue development of Policy and Procedure Documentation.

Objective 4 - Evaluate budget on incremental basis to monitor cost containment as well as identification of alternative revenues.

The Board also approved a plan to be submitted to the SBESE that would add further requirements to Bylaw 28 which would make it mandatory for all student-athletes in the state of Kentucky to have current medical insurance prior to participation in athletics.

REMEMBER
To All Basketball Coaches

Rule 1-10, Section 11
Each basket ring shall be securely attached to the backboard support system with a ring-restraining device. Such a device will be required on the basket that stays attached even in the event that a glass backboard breaks.

Why?
A high school student-athlete in the U.S. this year was nearly cut to the bone when a backboard not equipped with a ring-restraining device shattered, and the rim came crashing down.

Where To Order
Ring-restraining devices are easy to install and can be ordered by calling Basketball Products International, Inc., 1-800-435-3865.

MAY/JUNE 1994
A Salute To Academic Showcase Champions

The Kentucky High School Athletic Association again salutes the winners of the 1994 Sweet Sixteen Academic Showcase held in March at Transylvania University in Lexington. Students from 92 high schools competed for a total of $48,250 in scholarships. To get to the finals, students had to place in the top four in regional competitions. Nearly 1,000 students took part in the regionals.

Congressman and former Lexington Mayor Scotty Baesler founded the Sweet Sixteen Academic Showcase in 1985 as a way to honor the intellectual and artistic achievements of students. First-place students win scholarships worth $2,000 at any Kentucky college, university or post-secondary school. Second-place students get $1,200 scholarships and third-place, $850 scholarships.

Since the program began, more than $570,000 in scholarships has been awarded.

The following is a list of the 1994 winners:

English (Creative Writing)
1. Dana Ward, Campbell Co.
2. Laurie Bay, Hazard
3. Ashley Taylor, Somerset

English (Essay)
1. John Watt, Monroe Co.
2. Charlotte Chui, Paul Dunbar
3. Amanda Baldwin, Rowan Co.

Journalism (Feature Writing)
1. Elizabeth Newsberry, Paul Dunbar
2. Erin Childress, duPont Manual

Chess
1. John Foster, Crittenden Co.
2. Tom Fulda, duPont Manual
3. Jed Whitehouse, Jeffersontown

Music (Instrumental)
1. Yee-Min Lin, Apollo
2. Betsy Tao, Ballard
3. Matthew Lewis, Scott Co.

Music (Vocal)
1. Yolanda Gore, Scott Co.
2. Angela Grimaldi, Sacred Heart
3. Craig Dickerson, Livingston Central

Art (Three-Dimensional)
1. Garland Lester II, Todd Co. Central
3. Amy Alexander, Muhlenberg North

Speech
1. Melissa Barlow, Montgomery Co.
2. Amy Forman, Rowan Co.
3. Tamara Sewell, Waggener

Computer
1. Central — Nathan Anderson, Ty Anderson, Randall Million, Mike Meagle
2. duPont Manual — Robert Cole, Erin Jan, James Key, Chris Weller
3. Paul Blazer — Ryan Crace, Karl Hammond, Chris Morgan, Hareendra Yalamanchili

STATE TOURNAMENT VIDEO SALES

Each Sweet Sixteen game is currently available on videotape for just $29.95 plus shipping and handling. To order, simply call the KHSAA at (606) 299-5472 with a Visa or Mastercard or fill out the order form below and mail in a check or money order!

The Game's Over, But The Lessons Last Forever

By PAM SPAULDING

This article originally appeared in the Courier-Journal. Author Pam Spaulding wrote this column as part of the paper's "First Person" feature.

"We lost. It's over." The words echoed in my head, but I just leaned back against the bleacher seats, numb. It was a very long time before the team started coming out of the dressing room. From across the gym, I saw my daughter's agonized expression as she sobbed between breaths. We had our arms around each other before I realized I had gone to her, this 5-10 child of mine who has to lean over to put her head on my shoulder.

A father of a freshman on the team came up to my daughter and told her with warmth that he would always remember her. A kind remark that underscored the finality of it all.

She and I, holding hands, started walking past other stunned parents sitting in the stands, still waiting for their girls. The mother of one of the best players on the team called out, "Alicia. Nice season."

It wasn't supposed to end this way. For the entire season, the duPont Manual High School girl's basketball team was ranked between first and fourth in the state. There were realistic dreams of making it to the Sweet Sixteen, to the Final Four. It wasn't because of my daughter that the team was ranked so highly, but the coach relied on her for strong defense and she was an integral part of the team.

Only now, instead of heading to the tournament, we had lost twice in a row. Male beat us in the first district competition by one point, in an intense emotional, hard-fought game. Now, the very next night, Mercy Academy had just upset Manual by two points.

Which meant it was the last high school game my daughter would ever play.

For four years, she practiced three to six days a week. All year long, not just during basketball season. Over four summers, she went to something like 15 weekend basketball camps.

I grew to admire how well she used her time. Most days I came to get her from basketball practice at 5:30 p.m. If practice was over at 5:25, I would find her sitting on the gym floor working on a math problem. If I stopped for gas on the way home, she had her books out, working. Discipline. That's what a sport teaches.

Sometimes those practices were like "boot camp." I could never have made her work that hard. There were the dreaded "suicides," a pattern of running back and forth on the floor that left the girls gasping for breath, their hair and clothes soaked with sweat. They lifted weights. They repeated boring drills. No one was allowed to sit during practice. Never once did my daughter say she didn't want to go. Amazing, since I hear lots of complaining about washing dishes and other household chores.

There were times during a game, in front of hundreds of people when the coach would scream at my daughter about some error he had committed, and I would be sitting in the stands thinking, "He can't say this to me. I'll just quit. I don't have to take this abuse."

But I wonder. Maybe my daughter has learned what I have never learned. Criticism from a coach or a boss is not to be taken personally. She never talked back. She never rolled her eyes in disrespect. She never slammed a door while he was talking. Maybe the times the coach told her she was terrific balanced the equation.

It's hard for kids today to have real responsibility. The kind of responsibility farm kids have when the work they do contributes directly to the welfare of the family, whether it's feeding the calves or planting the corn. There isn't a kid out there who really believes the family unit will be threatened if they forget to take out the trash.

When my daughter stood alone on the free-throw line, she felt the weight of the team counting on her.

My daughter knows how it feels to be strong, how it feels to fight for a rebound against other strong bodies. Once during a locker-room halftime pep talk, the coach nominated my daughter for the ugliest knees category. They were black and blue and greenish yellow from scrambling on the floor after loose balls.

I wonder what it means to my daughter that the games are the one place she has her divorced parents together.

What does it mean to her when that girl who made the basket acknowledges an assist with a joyful low-five as they race back down the court? Has she learned that the sun does shine after the darkness of disappointment? There is beauty in the structure of the game, in the smooth execution of a play, but the richness comes from the bonding of diverse girls to a shared commitment, the inside jokes, the teaching of new songs on the road to an away game, the eternal struggle to tolerate each other's idiosyncrasies.

On the long drive home after the Mercy game, my daughter and I cried together and we cried separately. And neither of us is the sort of person who cries often.

I was surprised how much the loss hurt. It's just a silly game.

We were almost home when she said, "It's not basketball that I'm going to miss. It's my friends on the team." I reached for her hand and the tears started again.

But this time, my tears were from pride. Pride that she understood everything.

Don Lane's Transylvania Basketball Camp

A camp with an outstanding reputation for combining hard work and enjoyment

Tentative 1994 Camp Schedule

- June 13-17 Boys ages 9-14
- June 20-24 Girls ages 9-18
- June 27-1 July 1 Boys ages 13-18 Closed
- July 6-8 Boys & Girls age 7-12
- July 11-15 Boys ages 13-18
- July 18-22 Boys ages 9-14 Closed
- July 25-29 Girls ages 9-18 Closed

Coach Don Lane and his staff provide one of the most effective and prestigious basketball camps in America today. Boys and girls between ages 7 and 18 spend a week on the Transylvania University campus in beautiful Lexington, Kentucky, where they work and learn under the guidance of outstanding coaches and teachers. Resident campers live and eat in university dorms. Day campers have their midday and evening meals on campus, but spend the night at home. Half-day sessions are provided for younger players.

Noteable Facts and Highlights from Previous Camps

- 1993 campers included numerous sons and daughters of junior high, high school, college, and pro coaches.
- Over 2,300 campers from throughout the U.S. attended during 1993; over 300 Kentucky schools represented.
- Each overnight session in 1993 enrolled at least 25 teams of 10 or more campers.
- 8:1 camper-staff ratio.
- Guided by outstanding staff of high school and college coaches.
- Several boys' and girls' state tournament teams, including seven state champions have attended in the last 10 years. During the last 10 years, every state in the Union and 10 foreign countries have been represented.

Pete Owens, a Track & Field official from Lexington, gives the all-clear flag from his post on the track during the '93 championships. Owens served as an inspector during the meet last year.
Rule Book — p. 13 - Rule 3-2-4(l) should have been deleted. The F.A.T. operator may no longer recall a race.

Situation #1: Following the completion of the 110 meter high hurdles, the coach of A1 complains that A1 was interfered by B1 and presents a videotape that his student manager shot during the race, to the referee as evidence regarding his appeal. Ruling: Appeal denied. (3-2-8) Comment: Only video equipment approved by the games committee may be used to make decisions related to the meet.

Situation #2: After setting the pole vault standards in preparation of his first trial, A1 takes his place on the runway. At the same time, the event judge starts his stopwatch to monitor the two minute time limit for A1 to initiate his attempt at 13'. A1 starts his approach but stops midway down the runway and returns to his starting position. On the second approach, A1 stops short again and returns to the starting position once more. Now A1 realizes he cannot initiate a trial in the time remaining and calls "PASS". A1 then misses his next two attempts at 13'. The event judge, for some reason, permits A1 a third trial at 13' and A1 does clear the bar on the third attempt. By clearing 13', A1 is awarded second place in the competition. The coach of B2 appeals the decision by the event judge to give A1 a third trial at the 13' height. Ruling: The event judge was in error by giving A1 a third trial at the 13' height. When A1 passed his first trial attempt, he should have been permitted the two remaining trials but not a third one. Therefore, A1 should have been credited with clearing 12'6", which placed A1 in a tie for third place. (7-4-9) Comment: Another issue regarding this situation is the use of the word "PASS". In this case, the event judge should have clarified with A1 as to his intentions to (1) pass the height, in this case 13', or (2) did he intend to take a miss on his first attempt since he could not initiate his trial prior to the expiration of the two minute time limit. The judge could have interpreted that A1 was passing the height. "Passing an attempt" means a missed trial. "Passing to the next height" means carrying over the number of legal attempts remaining to a subsequent height.

Situation #3: Following the girls conference championship long jump competition the official third place finisher was left off the tally sheet by the scorer. B1 actually recorded the third best jump of the competition on her second jump, however, the official scorer missed the event judges scoring form and failed to give B1 third place points. Team B finished second to Team A for the team championship by a score of 103 to 101. When the results of the conference meet were reported in the newspaper the next day, the coach of Team B realized that B1 was not officially awarded third place in the long jump and that the team actually scored 107 points rather than 101. The coach of Team B appealed to meet management immediately. Ruling: The appeal was upheld because it was filed within the 48 hour time limit. (2-3-1) Comment 1: When a participant has competed fairly, and in the process of that competition has scored, the participant should not be penalized and ample time should be allowed for correction of clerical and scoring errors. However, at the same time, there must be conclusion to the meet in a timely fashion, thus the decision to allow up to 48 hours to make corrections. Comment 2: Under 2-3-1 and 9-2-6, meet management may specify another time period as long as all participating teams are informed in advance of the meet. For example, a conference meet is held on a Friday and meet management establishes a 72 hour period for the correction of clerical and scoring errors because the 48 hour period would fall on a Sunday making it difficult for coaches to communicate with the meet director prior to the deadline.

Situation #4: During a crucial conference dual meet, home Team A is leading visiting Team B by three points. At the conclusion of the last event (1600 meter relay which Team A wins by a comfortable margin), an appeal is lodged by the coach of Team B citing teammates of Team A for an unfair act by standing near the finish line loudly cheering Team A to victory. The coach of Team A objects, stating the area had not been restricted and that members of Team B were also standing in the same area cheering their team. Ruling: Appeal denied. (4-5-9a) Comment: Although Rule 4-5-9a states that teammates stationed near the starting area could be considered an aid, in the absence of a barrier and marshals restricting access to the finish line, which allowed anyone to approach the area, the act would not be considered unfair.

Situation #5: After A1 clears 5'8" in the high jump event, she leaves the lumping area and returns to the spectator stands to view a videotape replay of her jump on her parents video camera and is subsequently disqualified by the referee because she has used an illegal aid. The coach of A1 appeals the jury citing that A1 has not gained an unfair advantage because no coaching was involved. Ruling: The appeal is denied. (4-5-9) Comment: While it is permissible for an athlete to confer with his/her coach, parents, older brother, etc., during competition in unrestricted areas such as the spectator stands, viewing a videotape of their performance while still in competition is considered an illegal aid regardless of who did the videotaping.

Situation #6: A competitor presents two shots to the inspector of weights and measures for approval. The shots meet minimum weight specifications, but one has two rather severe indentations and the other has tape on it. Ruling: If the inspector feels the indentation or tape might provide assistance through a better gripping surface by the competitor, he/she shall impound the shot and/or not approve them for use in the competition. (3-9-1)

Situation #7: A1, the final contestant in the long jump fouled on the final attempt. Unhappy with the performance A1 uttered a profanity just after the event judge called a foul. Because of the unsportsmanlike conduct, A1 was disqualified from scoring in the long jump event and from further participation in the meet. A1's coach appealed stating that since A1 was the final contestant in the event, a foul occurred, and no mark was taken, therefore, the profanity occurred after the long jump event concluded and A1 should not be disqualified from scoring in the long jump. Ruling: Appeal denied. (4-5-1) Comment: The fact that the profanity occurred at the end of or during a final attempt in no way changes the penalty. Rule 4-5-1 specifies that disqualification shall be from the event the competitor was in as well as from further participation in the meet.
Clinic Attendance By Track Coaches/Officials

Below is a list of coaches and officials who attended the 1993-94 KHSAA Track & Field Rules Clinic.

Arizona Coach Awarded For Strides In Equity

Special To The Athlete

Sharon Austerman, head volleyball coach at Cortez High School in Phoenix, Ariz., is receiving national recognition this month for her pioneering spirit and lifetime commitment to giving female athletes the same access to sports as boys. Austerman is being recognized in several coaching publications in March by Coaches Care, the public service program created by The Gatorade Company that honors high school coaches who provide young people with new opportunities and positive life experiences.

When Austerman came to Cortez in 1965, only tennis was offered to girls. That’s when Austerman and some of her peers convinced school administrators that “sound body leads to sound mind” applied as well to girls as boys. Volleyball and badminton were added immediately.

"Girls athletics certainly didn’t burst upon the scene," explained Austerman, a graduate of Grand Canyon University. "There was no budget for coaches, equipment or uniforms."

So for five years, Austerman volunteered her time as the volleyball coach, using discarded knee pads from the boys’ wrestling team. Her girls practiced wherever space was available, including the blacktop behind the gym.

"I’ve always wanted to provide our girls with the wonderful lifelong memories that my physical education teachers gave me,” Coach Austerman said. "I knew if I could get girls involved in athletics, they would learn new ways to reach goals of their own."

For the past 29 years, Austerman has been influential in hundreds of young women’s lives, helping them to achieve personal and professional goals. Fourteen of her former athletes have followed in her footsteps. Current volleyball co-captains Michele George and Carla Gartner plan to pursue careers in physical education as a result of Austerman’s inspiration.

One of the ways Austerman motivates her athletes is by placing quotes like “tomorrow’s success is determined by today’s efforts,” or “you can if you believe” in the girls’ lockers. She says the quotes serve as a foundation to build upon during competition. Her creative approach has helped Austerman’s teams win three state titles and nine Skyline Division championships.

"Sharon never stops envisioning the potential that every student-athlete has through the right combination of training and nurturing,” said Cortez principal Carolyn Sheley, who nominated Austerman for Coaches Care distinction. "And Sharon’s athletes understand that champions win and lose with grace and dignity."

But coaching is only one part of what makes Sharon Austerman special. She was honored in 1988 by the Arizona Chapter of AAPHERD for developing her school’s wellness program, which encompasses the belief that physical activity leads to a healthy mind and adds to personal development. She’s also an organizer. Austerman is one of the founders and past presidents of the Arizona Volleyball Coaches Association, and currently serves as chairperson of the Arizona Interscholastic Association 4A Advisory Committee for volleyball.

Austerman is also one of many outstanding teachers and administrators who has contributed to quality education programs and activities at Cortez, which was recently named the number one high school in the state through the Arizona A+ Secondary School Recognition Program.

High school coaches can be nominated for Coaches Care distinction by principals, athletic directors, teachers, fellow coaches, parents and student-athletes. Selection criteria and a nomination form may be obtained by writing: Coaches Care, PO Box 194, Hinsdale, IL 60522-0194.

Volleyball coach Sharon Austerman pioneered athletics for girls at Cortez High School in Phoenix, Ariz.
Sports Notes From Around The Bluegrass

From Staff Reports

Second Annual NF Golf Coaches School Set

The National Federation has finalized plans for its second annual high school golf coaches school that will be held June 25-26 at Deer Creek Golf Club in Overland Park, Kansas.

The school, held in conjunction with the National Federation Conference of High School Coaches and Officials, will offer high school golf coaches the opportunity to participate in an intensive two-day program consisting of general sessions and workshops where they will learn how to better meet the needs of their players. Following the school on June 27, coaches will meet to discuss national issues and concerns related to high school golf.

Deer Creek was recognized by Golf Digest as one of the top three new golf courses in America in 1990.

Preceding the school on June 24 will be the National Federation Golf Coaches Championship and the National Conference Scramble. Both tournaments will be played at Alvamar Golf Club in Lawrence, Kansas.

High school golf coaches can attend the school for only $79. This includes over two days of intensive education, breakfast, lunch, transportation and an embroidered jacket courtesy of GEAR For Sports. For further information concerning the National Federation Golf Coaches School and Championship, contact Brad Rumble at the National Federation, 11724 NW Plaza Circle, PO Box 20626, Kansas City, MO 64195, or call (816) 464-5400.

Swimmers Nominated For National Honors

Two girls, one boy and a boys' relay team were nominated from the state of Kentucky for the National Swimming Honor Roll for their performances in February's State Swim Meet.

Beechwood's Talor Bendel and Notre Dame's Michelle Schroder were nominated from girls' swimming while St. Xavier's Chip Crush and two of the Tigers' relay teams represent the boys.

1994 MEDICAL SYMPOSIUMS

In order for coaches to be in compliance with KHSAA Bylaw 27, the head coach of an athletic team or cheerleading squad must have attended a medical symposium in 1993, or, he or she must attend one in 1994. The following is a complete list of the medical symposium scheduled across Kentucky for 1994. Please call the contact person at each site to reserve a seat. If you have any questions, please contact the KHSAA at (606) 299-5472.

Bendel won three races this year, the 200 Freestyle, the 100 Butterfly and the 100 Freestyle, breaking her own state records in all three events. Bendel's times were 1:48.83 in the 200 Free (old record was 1:50.18), 55.15 in the 100 Fly (55.53) and 50.8 in the 100 Free (51.7).

Schroder, which led her Pandas to the state title for the second-consecutive year, just missed on breaking two of her own state records. She had times of 2:03.54 in the 200 Individual Medley (2:01.67) and 1:02.91 in the 100 Breaststroke (1:02.03).

Chip Crush led the Tigers' to their sixth-consecutive state championship and their 29th overall, which places them second nationally in most state titles won. Crush set two state records, 49.20 in the 100 Backstroke (52.24) and 45.51 in the 100 Freestyle (46.22). Two St. Xavier relays also set state records. The 200 Medley Relay was won in 1:35.81 and the 400 Freestyle Relay was won in 3:07.99.

A copy of these performances were also sent to NISCA, the National Interscholastic Swimming Coaches Association, for All-America status consideration.
Louisville Soccer Star Chosen For Puma Cup

Erin Wilson, a senior at Atherton High School in Louisville, has been chosen to compete in the Puma Cup Invitational, the nation's only boys tournament for high school seniors.

Wilson, who was all-state and all-region at Atherton, was one of only 64 players from across the country to be selected and the only Kentucky native on the roster.

Unlike any other tournament, players are selected based on superior soccer skills, academic excellence and outstanding character.

In its second year, the Puma Cup, a benefit for the National Soccer Hall of Fame, will be played at the St. Louis Soccer Park from June 9-11 and televised on ESPN during the World Cup, which kicks off one week after the Puma Cup. The event will be aired June 22 at 1 p.m. ET.

Wilson will be competing on the Midwest Team, one of four teams competing.

New Baseball Records

Two state records were set during the first month of the baseball season and both will place second in the National Record Book.

Heath senior catcher Jason Massey set the first mark after belting five consecutive home runs in a two-game span. The 5-10, 185-pounder was just one short of the nation. I record. His first two came in his last two at-bats against Paducah Tilghman. The next three were in his first three at-bats against Mayfield.

A week later, Southwestern Pulaski junior Bryan Morrow hit four home runs, one double and knocked in nine RBI in one game. His performance came in a game played at his old school, Pulaski County, which split for the 1993-94 school year to form SW Pulaski. Morrow’s double was off the wall in his first at-bat.

His four home runs in one game sets a state record while finishing just one shy of the national record. The pitcher's nine RBI are just one shy of a state mark held by William Campbell of Middlesboro (1984).

Football Coaching Clinic To Be Televised

College, high school, junior high and community football coaches can learn from the best minds in football on Friday and Saturday, June 3-4, (9 a.m.-6 p.m. CT) through a satellite telecast of The Coaching Connection.

The clinic will be a live, satellite delivered football coaching clinic originating at Reunion Arena in Dallas.

The 1994 teaching coaches include: Tom Osborne, Nebraska; Terry Bowden, Auburn; Dick Tomey, Arizona; Fisher DeBerry, Air Force; Ken Sparks, Carson-Newman; RC Slocum, Texas A&M; Greg Landry, Illinois; Butch Davis, Dallas Cowboys; Les Steckle, Denver Broncos; Al Miller, NY Giants; Kevin O’Neill, Dallas Cowboys; and Ryan Vermillion, Miami Dolphins.

The broadcast will utilize a six-camera broadcast and is expected to reach over 10,000 coaches at all levels through the network of host satellite sites throughout the country. The program offers the opportunity for coaches to respond immediately to questions and comments while visually reinforcing their answer.

Registration fee is $50. For more information regarding the nearest host site, contact Craig Noonan, (214) 869-4972.

Kentucky Basketball All-Stars Selected

Marion County's Elton Scott and Apollo’s Laurie Townsend were named Mr. and Miss Basketball by the Kentucky Lions Eye Foundation and will lead the 1994 All-Stars in to battle with Indiana in the annual summer series.
