## **GENERAL SPRING INSTRUCTIONS FOR ALL SPORTS AND SPORT-ACTIVITIES**

### **SUPERSEDURE NOTE**

The information in these instructions supersedes any information previously distributed.

In many cases, these rules have been revised over the last couple of years through the pandemic to the point where time has not permitted complete overhaul and revision of the competition rules.

All involved should review items such as tiebreakers and procedures for competition and consider this document authoritative.

Contact the primary event contact with any additional questions.

### **WATER**

Coaches and athletes are reminded to bring their own water bottles as no community dispensers can be used.

### **VENUE SAFETY**

Persons who attend KHSAA events may be injured as a result of the risks inherent in being a spectator at such events.

Please advise KHSAA or venue personnel of any situation you encounter which you or a fellow spectator feels should be addressed to minimize risk to all involved.

Any crowd control problems or acts of violence should be brought to the attention of the event staff, which will contact the appropriate authorities.

Attendance at events is a vital family and community based activity which is encouraged.

### **SIGNAGE, NOISEMAKERS, BALLOONS AND MUSIC**

Signs/banners are permitted at the facility but must be of good taste and sportsmanship.

The signs/banners must be handheld or attached in a manner not to damage the existing structure.

The signs/banner shall not cover any corporate signage or obstruct the view of patrons.

Amplified noisemakers or items that replicate competition management cues are not permitted to include, but not be limited to:

- Indoor
  - o Air horns
  - o Electronic amplifiers
  - o Portable sound systems
  - o Whistles
  - o Game clock horns simulator
- Outdoor
  - o Air horns
  - o Whistles
  - o Game clock horns simulator

Managers should confiscate items if used with the managers determining if they are returned post championship.

Balloons, which can block the view of other patrons, are NOT PERMITTED at the event. They should be popped or returned to a vehicle, not allowed into the venue.

Only venue provided amplified music is permissible, but only during pre-event, natural and planned breaks/timeouts.

### **ENTRY OF SERVICE ANIMALS**

Service animals are important and valued professionals that serve the needs of owners and must be present at all times.

Because service animals are essential for specific individuals, we wanted to make all attendees aware of the definitions and guidelines in place to make certain service animals present as well as to ensure the well-being of all individuals in attendance at KHSAA championship events.

Service animals are the only animals the general public may bring into the indoor and outdoor facilities of a KHSAA championship.

The Americans with Disabilities Act (ADA) defines a service animal as a dog who has been trained to perform a task directly related to an individual's disability.

Upon entry to a championship, owners of service dogs may be asked questions as recommended by the ADA to ensure the owner access to their service animal.

The training a service animal receives distinguishes it from other animals and there may be questions about the training provided to the animal and service for which it provides.

Emotional support animals, therapy animals, and other pets are not considered service animals and will not be granted entry to KHSAA events.

In Kentucky, misrepresentation of an assistance animal is a violation with a fine up to \$1,000.

The owner will be responsible at all times for the conduct of the service animal.

Thank you for respecting the training and necessity of service dogs and helping us keep all guests safe when visiting a KHSAA championship event.

## **SPORTSMANSHIP**

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective.

We remind you that officials expect good behavior and will quickly penalize misconduct.

We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

## **ROSTERS**

### **POSTSEASON ROSTER**

Postseason participants must be designated from the freshmen, junior varsity or varsity rosters, which are maintained through the KHSAA/Arbiter 360 page throughout the regular season.

Roster revisions must be made before the first date of the postseason when online rosters are closed and considered final.

No additional players may be added to the roster following that deadline, including those teams that advance to the state tournament.

The online, postseason roster may be printed from the KHSAA website as the valid listing of available participants.

This roster information is also used for advance preparations for state qualifying teams or individuals.

## **BYLAW 22 REMINDER**

### **REQUIREMENT TO ACCOMPANY TEAM MEMBERS**

You are reminded that KHSAA Bylaw 22 requires a principal, coach or another approved individual of the school to be present along with any student-athlete who is representing a member school.

## **HEALTH INFORMATION**

### **PHYSICAL EXAM FORM**

Schools are reminded that they are responsible for ensuring parental permission to seek medical treatment is authorized for each participant.

The Principal, Athletic Director or Head Coach can use a copy of KHSAA Form GE04 (Physical Exam Form) for this purpose.

The form contains appropriate emergency treatment permission and should be brought for each athlete at the competition.

## **EMERGENCY ACTION PLAN**

UK HealthCare Sports Medicine is the official Sports Medicine Partner for the KHSAA State Championships.

KHSAA staff will, in consultation with UK HealthCare Sports Medicine and venue personnel, develop an Emergency Action Plan (EAP) for this event.

The on-site training staff will be responsible for any necessary monitoring of the wet bulb globe temperature and notification to KHSAA staff and the contest officials for determinations of any necessary adjustment to activity.

If an athlete or other team member is in need of emergency medical attention, contact the nearest KHSAA staff member, official, trainer or venue staff so emergency medical services can be immediately contacted.

An AED (and in many events, multiple AEDs) will be on site for use in the event of an emergency.

A text notification will be sent each morning to coaches, athletic directors, KHSAA staff, UK HealthCare trainers and workers of the event detailing the location of all AEDs.

## **ATHLETIC TRAINERS**

For KHSAA state opening round events, host sites will be responsible for providing athletic trainers.

The Association will use the services of UK HealthCare to provide trainers for the KHSAA state final sites, and in the event of disagreement, this group shall serve as the primary determinant of medical next steps.

Athletic Training Staff will be available beginning one (1) hour prior to the event and remain available throughout the day.

For team sports - basketball, baseball, field hockey, football, soccer, softball, and volleyball - individual school Athletic Trainers should be included in the distribution of Team Party passes.

For other sport and sport activities, see the sport-specific section of these instructions for bringing a team trainer.

## **INCLEMENT WEATHER PROCEDURES**

In the event of inclement weather, it is the duty of the KHSAA, in consultation with the host facility, to make decisions regarding postponement, rescheduling or cancelation, including getting proper notification to all teams, media outlets and schools.

Staff will utilize the KHSAA website and Twitter to provide updates as well as an emergency text notification system.

KHSAA officials will make every effort to learn the weather forecast prior to the start of competition as the safety of the public and participants will be the most important factor in any decision.

## **HEAT ILLNESS PREVENTION**

It is the responsibility of UK HealthCare on-site training staff to monitor the wet bulb globe temperature and notify on-site staff and contest officials for determinations of any necessary adjustment to activity.

The manager should be aware of the policies and work in conjunction with the licensed or certified athletic trainer hired to work the event in monitoring the Heat Illness prevention program.

The detailed medical policies are online and a link at the end of this general section.

## **LIGHTNING/THUNDER POLICY**

Tournament staff of any outdoor sports or activities, or indoor sports with non-grounded pools, working with the certified athletic trainer and facility staff, shall monitor and adhere to the KHSAA Board adopted policy in regard to lightning and thunder.

All competitions shall be suspended at the first sound of thunder or sight of lightning and shall be suspended a minimum of 30 minutes following any subsequent sound/sighting.

If it is anticipated that the storm will pass, competition may resume following a 15-minute warm-up period.

The detailed medical policies are online and a link at the end of this general section.

## **STOPPAGE/POSTPONEMENT**

It's the duty of the tournament staff, in consultation with the officials and certified trainers, to make decisions regarding resumption or re-scheduling.

In the event of stoppage or postponement, all parties must work together to ensure that all teams, media outlets and schools are properly notified.

While it's imperative to adhere to the scheduled postseason dates, the safety of all parties involved is always the top priority.

## **VIDEOTAPING, MEDIA AND INTELLECTUAL PROPERTY RIGHTS**

Media outlets may be limited during this event.

A webcast, as used in these instructions, is a video, live or delayed account, including play-by-play, of any contest distributed using the internet.

The KHSAA is the only entity permitted to produce live or delayed video from state championship events including first round, second round, quarterfinal and state rounds, and is the sole authority for approval of any other.
