Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
It's a goal that we work for every year. I am so proud of our team. They are outstanding baseball players but also great young people as well. They are willing to do whatever you ask of them and they love to play the game.

Coach's Comments

What are keys to your team's success in winning the tournament:
We have been successful with solid pitching and defense this year. Our hitting has been strong lately and we are playing our best baseball of the season right now. We don't have any one player that has stood out as leading our team. Every one of our players has made a contribution to our success. If you look at our pitching stats, the wins are spread out over several guys and the batting averages of the starters are all reasonably close. This has really been a team effort.
