Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
Last year we also won the 8th region but lost in semi-state to St.X. We were not satisfied with our performance last year and I think the experience and only losing 3 players off that team helped us to be more prepared after getting to the semi-state. We lost our last 9 regular season games going into the District---so the heart and desire of this team was tremendous. No one really expected us to be here.

Coach's Comments

What are keys to your team's success in winning the tournament:
The pitching staff along with our best defensive efforts of the year were keys to our winning the semi-state. Our hitting did not come around until the final game of the semi-state. Our team speed and bottom of our line-up also helped us to be more productive.
