Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

We are blessed to be both 48th District and 12th Region Champs. The 12th Region is one of toughest regions to compete in year in and year out. There are quality baseball teams from top to bottom and there is no easy road to the Championship. Last year we finished runner up to Mercer Co. and returned the core group of starters from that team. The experience we gained last year helped this team hold their composure after falling behind in both the semi-final and championship games. This team is full of young men who battle from the first pitch to the last pitch.

Coach's Comments

What are keys to your team's success in winning the tournament:

Defensively we do not need to give any extra outs to our opponent. If we can hold them to 21 outs we give ourselves a shot to be in and win any game we play. To do that our pitchers will need to throw strikes and allow the defense to work behind them. Offensively we need to continue to have quality at bats, every at bat. We need to execute at the plate in every situation we face. Our players need to maintain the composure they have played with throughout the post season. Our guys will have to give 100% once they step across the lines, leaving it all on the field!
