### Coach's Comments

**What are keys to your team's success in winning the tournament:**

Our kids have to play as an older group, we are very young with no JR. and three seniors with one not playing because of broken RT Hand. Our Soph have been 2-3 year starters or have varsity experience .

Our pitchers can not walk a lot of batters and defense needs to play flawless baseball in the field. We can play the game the right way with HEART and determination to compete and win. To win our guys need to stay in the moment and battle for 7 complete innings. Our team came together after having some players walk away and quit and from that point they pulled together as a TEAM and play for each other, that bond got us through the tough Region Tournament .
