Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

This is our first ever trip to the state tournament. It has been an up and down season for us but we have kept our focus and have finished well. Hopefully we will continue that course and continue to play well in Lexington.

Coach's Comments

What are keys to your team's success in winning the tournament:

As with most teams, when we get good starting pitching we are hard to beat. That is where it starts with us - pitching. The better our pitcher is throwing, the better our defense will play behind them. There have been times where our defense was lacking earlier in the year but it seems the bigger the game, the better our defense plays. Hitting wise we are led by Travis Bryson, Price Burge, Michael Mundy, Grant Wassom, and Sean Lawrence. They have been hitting in the top part of the order the last half of the year. When our bottom part of the order produces, which is led by Tyler Smith, we usually put up a good number on our side of the score board. We will play one pitch at a time - one game at a time. Hopefully a little luck is on our side and we can make a run to the championship.
