If an individual student athlete or team wins, it's an amazing thing.
It's also just the icing on the cake.

Young people who participate in education-based athletics are already winners. Studies show that, win or lose, participation helps to impart skills they can use to enjoy greater success in other areas of their lives. That's what makes school sports a winning part of a complete education.

**The 1940 state baseball tournament was to be played in its entirety at UK Stoll Field, Lexington on Friday and Saturday. Rain delayed the start of the tournament until Saturday, and the quarterfinals were played at UK Stoll Field, Lexington on that day. However, because of a university policy against athletic contests being played on campus on Sunday, the semifinals and championship game were moved to Athens High School's baseball field.*
