Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
We started the season very slow because our whole infield played on the basketball team that advanced to the regional final and one of our outfielders advanced to state wrestling which didn't get completed until March 10th. Once we got to mid-season, things really started coming together and we began improving immensely so that when we got to the district tournament, we were a much better team than when we started in March.

Coach's Comments

What are keys to your team's success in winning the tournament:
We need to continue to pitch well and not make a lot of mistakes and give up unearned runs. We need to make opponents earn their runs. If we can get some production from the bottom of our lineup like we have been getting recently, we feel we can stay in any game.
