Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

Lost preseason "Collegiate Baseball" All-Americans in senior C Zeke Pinkham and junior SS Hunter Sullivan (3-4 hitters) but have gotten big seasons out of Bridges, Payne, and Kindred. Wilson has been hot in post season. McKinney has had a good year but injury limited him to one AB in region tournament. 31 wins is the most since 2000 and also won back to back region titles for first time since 2000. On the mound we have gotten great years out of Meek, Bridges, and Kindred in starting roles. Freyberger has been lights out in relief. Preseason All-American Hunter Sullivan hasn't pitched since April 15 and had Tommy John surgery the first of May.

Coach's Comments

What are keys to your team's success in winning the tournament:

Pitching struggled down the stretch and into district tournament but was great in region tournament. That will need to continue. Also, we were below average on defense during most of the year but have been solid in postseason. Pitching and defense will be the key, have scored a lot of runs this year but have been less impressive offensively since Sullivan left the lineup on 4/30
