Coach's Comments

**Your team's accomplishment of advancing to the
State Tournament:**

It has been a great 2 year run for the Eagles who now have 60 wins over last 2 seasons..this year, NB has wins over Male, Butler, Desales, Collins, Christian Academy, as well as winning all 5 games in Myrtle Beach over Spring Break..we have won the district title now 3 years in a row and we have a number of guys that played in last years run to the Final Four that returned to lead us back to Lexington.

Coach's Comments

**What are keys to your team's success in winning the
tournament:**

Like all baseball teams, it starts with pitching and defense. It is key that we don't have any "mental" errors and just force someone to beat us...not just give it away by misplaying the ball or giving teams free bases or outs... our offense has led the state in runs scored this year and we are capable of putting up big numbers on any given night...we have some speed in spots and some power in spots...but we are very capable of playing "small ball" to get runs as well...this is a well rounded team that doesn't overwhelm anyone, but is capable of making another deep run...anytime you win the 6th region, you are a pretty good team...and we have been fortunate 2 years in a row.
