Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

This team is the first in school history to win 30 plus games in back to back seasons. It is a senior dominated team. Pitching, defense and strong offense through the first six spots in order have been the key this year. We have gotten timely hitting from the bottom of our order.

Coach's Comments

What are keys to your team's success in winning the tournament:

We have to continue to do the things that have brought us success this year. The top of the order has to get on base. Our pitchers have to throw their secondary pitches for strikes. We are not a power pitching staff. Our defense has to continue to be solid. We have to take advantage of scoring opportunities when the present themselves and manufacture runs when necessary.
