2022 Clark's Pump-N-Shop State Baseball Tournament Presented by UK HealthCare Instructions

BRIEF WELCOME

Congratulations on behalf of the Kentucky High School Athletic Association Board of Control and staff for advancing to the 2022 Clark's Pump-n-Shop State Baseball Tournament presented by UK HealthCare.

Refer to this manual and the important website links included at the end of the document to guide you through preparation for your participation.

KHSAA CONTACTS

The primary contact for baseball is Associate Commissioner Butch Cope (bcope@khsaa.org).

If Mr. Cope is not available, Assistant Commissioner Darren Bilberry (dbilberry@khsaa.org) is the backup contact.

Media, broadcast/webcast and statistics related questions should be directed to Media Relations and Publications Director, Connor Link (clink@khsaa.org).

Questions may also be directed to the KHSAA offices at (859) 299-5472 and any member of the staff can refer you to the correct party.

COVID-19 GUIDANCE

The KHSAA's complete "Healthy at Sports, Stage 4 - Perseverance, Guidance for Continued Practice and Competition During the Pandemic: Interscholastic Sports" document can be found at the following link: <https://bit.ly/3jvElu7>

In addition to specific guidance, this document includes guidance for all sports, officials and media. The information in this document should be thoroughly reviewed by all managers, participants and spectators attending a district or regional tournament.

REMINDER - Anyone attending or participating in a KHSAA regular season or postseason event should review their symptoms before arriving. Those that are ill or displaying any symptoms of COVID-19 should stay home.

Guidance is broken into three areas:

- **REQUIRED-** These standards are required at all sanctioned contests.
- **RECOMMENDED-** These standards are best practices during all contests during the pandemic and are therefore recommended for all contests. In a few cases, these will be **STRONGLY RECOMMENDED**.
- **CONSIDER-** While these items are also best practices during this time, local site discretion should be exercised to determine if these items are practical and feasible for use at the contest.

All items in the document should be interpreted as "CONSIDER" for local consideration unless otherwise noted.

These differences in the guidance are necessitated by the differences in sports, facilities and geographic areas, which are pronounced during normal years and magnified this school year.

WATER - COVID-19 GUIDANCE

Refer to the "All Sports Guidance" section of the "Healthy at Sports" document (<https://bit.ly/3jvElu7>) for multiple references to water, hydration and food guidelines.

MASKS/FACE COVERINGS

Masks/Face coverings for non-competitors and the requirements surrounding these items are a matter of local jurisdiction.

At minimum, any local or specific masking ordinance should also include a requirement for managers to post signage and make regular announcements.

COMPETITORS

- Due to safety concerns, competitors who are considered to be aerobically exercising should not be required to wear masks during competition.

NON-COMPETITORS

- Non-Competitors, in compliance with current KDPH and CDC guidelines are recommended to wear masks in all indoor settings unless otherwise exempted (e.g., cannot wear a mask due to disability), regardless of COVID-19 vaccination status.
- In compliance with [current KDPH K-12 education guidance](#), "In general, people do not need to wear masks when outdoors, though mask use may be considered in outdoor settings that involve sustained close contact with other people who are not

2022 Clark's Pump-N-Shop State Baseball Tournament Presented by UK HealthCare Instructions

fully vaccinated.”

PUBLIC HEALTH PROTOCOLS

- Each member school and event host is expected to adhere to public health standards regarding isolation and quarantine as well as the adopted Return to Play Protocol in the event of a positive test in a participant or team staff member.

QUALIFYING FOR FIRST WEEKEND

The winning teams from the 16 Region tournaments advance to the first round of the state championship, and the eight winning teams advance to the second round of the state championship.

First and second round games will be played June 2-4 at Kentucky Proud Park at University of Kentucky in Lexington.

First round matchups are determined by blind draw to be conducted for Regions 1-16.

QUALIFYING FOR SECOND WEEKEND

The winning teams from the first and second rounds advance to the final weekend of the state tournament played June 10-11 at Kentucky Proud Park at University of Kentucky in Lexington.

COMPETITION DATES, SCHEDULE AND LOCATIONS

DATES

First weekend, games will be played June 2-4. Second weekend, games will be played June 10-11. Both weekends will be at Kentucky Proud Park at University of Kentucky in Lexington.

TIMETABLE

A daily tournament schedule is available on the KHSAA website and included as a link at the end of these instructions.

Please be familiar with this timetable and adhere to the restrictions that are in place.

On the days of the tournament, the teams may not be on the field except as detailed in the timetable.

There will be no exceptions and schools violating this policy face the possibility of a fine or other punishment permissible by KHSAA Bylaw 27.

It is imperative that the grounds crew has adequate time to perform their functions.

See the inclement weather section in case these situations occur.

INCLEMENT WEATHER PROCEDURES

In the event of inclement weather, it is the duty of the KHSAA, in consultation with the host facility and umpires, to make decisions in regard to postponement, rescheduling or cancelation, including getting proper notification to all teams, media outlets and schools.

Staff will utilize the KHSAA website and Twitter to provide updates, as well as an emergency text notification system.

KHSAA officials will make every effort to learn the weather forecast prior to the start of play as the safety of the public and participants will be the most important factor in any decision.

Should it begin to rain, the games will continue on schedule unless there are signs of lightning, sounds of thunder, or the umpires, in consultation with tournament management, determine that it is unsafe to continue.

Should weather conditions force a postponement or delay, you should immediately leave the bleacher area and heed any announcements made by tournament management.

Should evacuation become necessary, please observe the directions given by uniformed officers, as well as tournament officials.

In accordance with adopted KHSAA policy, if games are suspended, the minimum suspension will be 30 minutes after the last sight of lightning or sound of thunder.

Persons leaving the park should seek shelter in their mode of transportation.

In all circumstances, use prudent judgment in determining whether or not you should remain in the dugout or bleachers.

When the decision is made to resume the games, there will be announcements made throughout the park area, and prior to the resumption of play, a 15 minute warm-up period will be given to both teams.

2022 Clark's Pump-N-Shop State Baseball Tournament Presented by UK HealthCare Instructions

The KHSAA pitching limitations are in force irrespective of weather conditions or cancellations.

The KHSAA staff may seek input in re-scheduling/resumption decisions, but the designated event manager shall serve as the final determinant for those decisions.

Spalding is the official baseball of the KHSAA.

The Spalding WC4100HS with the NFHS authenticating mark is a legal ball for play in postseason.

CONTEST COMPLETION REMINDERS

This is a reminder to coaches, umpires and administrators in regard to interrupted games.

Postseason games must be played to completion or completed per run rule.

All state tournament games will be seven (7) innings unless a run rule is in effect.

If the entire game cannot be played due to weather or other issues, it is a suspended game and shall be completed.

SPORTSMANSHIP

The KHSAA requires officials to enforce sportsmanship rules.

High school athletics emphasize positive values and all parties have worked hard to create a sense of teamwork, respect, responsibility and perspective. We encourage and appreciate your help in letting this competition reflect mutual respect among all participants and officials.

We remind you that officials expect good behavior and will quickly penalize misconduct.

No one outside of the team is to come onto the playing field. Fans are to stay in the stands before, during and after each contest.

2022 Clark's Pump-N-Shop State Baseball Tournament Presented by UK HealthCare Instructions

Please make announcements to this effect to the student body during the week before play.

In the event this occurs, a school will be fined.

Damage to the facility directly attributed to the fans of a particular school will result in a reduction to team reimbursement as well.

The trainers will be available one (1) hour prior to the first contest and remain available throughout the event.

Any crowd control problems or acts of violence should be brought to the attention of the event staff, which will contact the appropriate authorities.

EMERGENCY ACTION PLAN

KHSAA staff will, in consultation with the athletic training staff and venue personnel, develop an Emergency Action Plan (EAP) for this event and the plan will be available upon arrival from the athletic training staff.

If an athlete or fan is in need of emergency medical attention, contact the nearest KHSAA staff member, official, UK HealthCare trainer or venue staff so emergency medical services can be reached.

An AED will be located at the team check-in area.

HEAT INDEX PROGRAM

Tournament play will adhere to the KHSAA's Heat Index Program.

Tournament administration will be responsible for tracking and implementing the program's guidelines.
