### Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
<p>This is our sixth regional championship and we feel that this team has grown more than any other team that we have had do this before. These kids have been prepared by our schedule which is one of the strongest in our school's history. Our kids have been focused and been ready to play for the last few weeks and are playing well at the right time of year.</p> <p>We are very proud of our senior as they have meant alot to this program. Our school and community have been behind us all season. Their support has been great all season long.</p>

### Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
<p>Players need to remain focused and continue to be mentally prepared. Our seniors must continue their leadership that they have displayed in the last few weeks. Offensively we must continue to take care of the ball and take good shots. Defensively our guys must continue to control the boards and prevent their opponents from getting to the free throw line.</p>
