Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
For a school of 74 students and only 34 boys, this is a dream come true. Our team GPA is 3.5, so these players have their priorities straight. Six of the eight players have been team mates since first grade so they know each other's strengths and weaknesses and each know their role on the team.

Off the Bench

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
It is important that we not get caught up in the atmosphere and relax and play our game. All-state guard Clark Stepp will need to be a calming force for the younger players. Guard Tate Cox has been a steady player all season. Center Garrison Collins can be an opposing force on defense. Forward Trey Short led the team in rebounding and freshman guard Clint Stepp set the school record for three pointers made in a season and in a game. Seniors Ryne Conley and Brock Childers have provided good leadership while 6'3 strong man Brent Hall provides hustle and rebounding. Defensively it is important to limit our opponents to one contested shot and it is critical that we do a good job on the boards. Offensively, we want to look to break but if we do not have an easy transition bucket we must execute our offense and get a high percentage shot.
