#### **Coach's Comments**

#### Your team's accomplishment of advancing to the State Tournament:

I have grown up watching the state tournament and to be able to coach this group of young men to the mecca of high school sports means quite a bit for me. Our school is very proud of their accomplishments on and off the court. We came through one of the toughest regions this state has ever seen and feel that we have been tested. We hope to put on a great show.

What are keys (players/offensive/defensive) to your team's success in winning the tournament:

Our team is very balanced as far as scoring is concerned. We must continue to play great team basketball to be able to make it through one of the toughest fields at the Sweet 16 that I have seen. All 9 kids that we will play know what their role is and if they continue to do their job we should do well. Offensively we will need to move the ball inside out and push it in transition. If our break is not there we must continue to move the ball to find the best shot that we can. Our defense is our calling card we will try to force turnovers with aggressive play and once we get into the half court we like to sit down and play very fundamental half court defense.
