Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

After making the state tournament last year for the first time in 27 years,

this year's team was able to repeat for the first time in school history.

They were ranked number one all year in the region and were able to live up to that billing.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:

With our lack of size, we must defend and rebound well in order to have a shot at winning. Our team must also play together and share the basketball if we are to be successful in this tournament.
