#### **Coach's Comments**

Your team's accomplishment of advancing to the State Tournament:

Very proud of this team and what they've accomplished. They have stayed very focused throughout the season in which we played some very talented teams. Everyone is aware of what can be accomplished if we play together and continue to accept their roles.

What are keys (players/offensive/defensive) to your team's success in winning the tournament:

Offensively we need to make every possession count by staying in our sets. No doubt that CJ Penny and Jacob Russell are looked upon to carry the scoring load, but Landon Jenkins is able to contribute significantly from the outside. Will Ruggles has the ability to step up and knock down some key baskets if needed and Nick Humphries coming off the bench can add some scoring in the paint. Defensively, we look at it as a total team effort. Allen Warford and Landon Jenkins have stepped up their defensive efforts againt our opponents outside play while Ruggles, Penny and Russell will battle on the inside. A key to our success will be our ability to limit our opponent's transition scoring and offensive rebounding.
