Coach's Comments

Your team's accomplishment of advancing to the State Tournament: I'm really proud of the kids for advancing to our third Sweet 16 in four years. We won 22 out of 23 games against regional opponents.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
We are a perimeter oriented team that likes to attack the basket and
play solid defense. We have a deep team team that can play up to 10
players.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: This is our 2nd consecutive trip to the state tournament and the 4th in the last 5 yeras. We are coming in 29-4 after playing a tough schedule and putting a lot of miles on the road.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
The keys to our success all year will be the same keys for us in this
tournament. We have been winning the rebounding battle, forcing the
tempo, and relying on our depth. We have a group of experienced
players who enjoy playing together and we have had different guys step
up to make big plays at key moments. Anthony Hickey, 2nd Region
POY, has been a steady leader with his playmaking ability on both ends
of the floor. All region tournament performers Hickey, Shaquille Wilson,
Donovan Kates, and Tre Gayle all made big plays at different moments
on our road to Rupp. We also have had tremendous production from
our bench including 6th man Veontae Lewis.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: I'm so proud of the kids right now. The resiliency of our kids was great. I'm so proud of what they did. We just kept fightin' and fightin' and battlin' - and our seniors, there's something about seniors this time of year, they're gonna help you win a basketball game. I thought that's what happened tonight - they helped us win the basketball game.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
We must play together and play hard. Defense will be the key. We have
to fight on defense, stay in front of our man, and get back in transition.
Also, we have to continue to rebound well.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: This is only the 4th team in school history to reach the Sweet Sixteen. The last team since 2002.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
We are led by seniors, Thomas Blakemore and Darius Stone.
Sophomore Jalen Wesson has done a fine job of running our team at
the point guard position. The rest of the roster is full of players who
have relished their roles and are playing them well. We feel that if we
are able to continue to take care of the ball, share the ball as a team,
play good solid team defense, and play a consistent 32 minutes we will
be able to compete with any team in the tournament.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: Anytime you win the 7th Region it is a major accomplishment. It might have been sweeter this year due to the fact that it was considered the toughest region in the state. It also might have been the deepest region since my time at Ballard. Our players are excited about winning the region but also realize that this was not our ultimate goal. We have played a tough schedule and feel this has prepared us for what we will face in Lexington. We feel honored to represent the 7th Region. Our student section has been unbelievable at games and this is going to be a fun experience for the Ballard community.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in	
winning the tournament:	

The biggest key for us to be successful in winning the state championship is to play our style. We must use our athleticism applying pressure on our opponent both offensively and defensively. We have a variety of weapons. We not only have two all-state players in lan Chiles and Keisten Jones; but have three other Division I athletes in Devante Parker, Drew Hardin, and Forisse Hardin. Not to mention that Tyrell Means is our unsung hero. At 5'11 he has over 40 dunks on the season. We are tough to guard because we have 4 shooters, all five players on the floor can take it to the basket, and we are relentless on the offensive boards. We must get solid play from our bench and try to make every game full-ct. Though we have proven we can win games playing different styles, we are most effective when we are playing with reckless abandon.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: This is a very experienced ball club that found a way to get things done when the chips were down. I am proud of the way we were able to navigate our way through a very difficult schedule and prevail as regional champions. I am fortunate as a coach to have a group of young men that play hard, play together and who love playing with each other.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
We have a very balanced ball club but when push comes to shove we
go as Donovan Johnson goes. He is the most valuable player on our
team because he can do so much and has the ability to inspire others
with his hustle and play. In order for us to make a run in this year's
state tournament Donovan has to play big but that alone will not get it
done. Fellow seniors Norris (Boomer) Beckley, Cache Tomlinson, Eric
Standafer and Nigel Beach are also making their second trip to Rupp
Arena in four years and have the experience of playing significant
minutes on the 2006 final four team. Freshmen Daryl Hicks is the young
gun of this group but his explosiveness and playmaking ability will be
needed to offset the defensive pressure that Donovan will face. Reserve
Tavis Elzy also adds extreme athleticism when he hits the court and he
may very well be our best athlete.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: We have a 29-5 record which ties the school's all time record for most wins in a single season, which earned us our first trip to the All A Sweet 16 and first state appearance in 48 years.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
We have to play good defense, rebound, run our offense and share the
ball. Our top 6 seniors: Demarkco Foster, Casey McDaniel, Cody
Collins, Brandon Sizemore, Anthony Luther, and Brandon Tucker will
lead us through the tournament like they have throughout this season.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
Played very competitive schedule against several nationally ranked
teams. Paid off to this point in being able to rise to the level of
competition and respond to opponents runs. Experienced group of
veteran players that took advantage of the dissapointment of missing a
trip to the state tournament last year in the regional finals.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
Team defense as a whole, with emphasis on individual defenders not
losing control of their assigned player. Tough combination of patience
and intensity required to be your best over the course of a 32 minute
game. Defend, defend some more, h it shots, rebound compete.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: I'm very proud of our players for repeating as region champs. They have had to deal with the pressure and expectations all season long of getting back to Rupp and have handled it great. We look forward to competing and representing the 12th Region to the best of our ability.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
Our defense is the key to our success. When we are playing our best we
keep our opponents to a low FG% and this allows us to get into
transition more on offense. Offensively we are led by Jarrod Polson,
one of the premier players in the state. Everyone else feeds off him and
he is capable of beating the defense with a jump shot, drive, or a pass.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
The last time that Corbin made back to back trips to the sweet 16 was
1952. For this team to be able to overcome the amount of talent we
graduated last season and compile the record we have is special. They
will be mentioned in the same breathe as some of the all time greats to
play here at Corbin. It's extremely special to take this group of seniors
(a group that has won 105 games in 4 years) to Rupp. They have always
been close to me and my family.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
Madison Johnson and Isaac Wilson have proven themselves to be one
of the best guard combos in the state. Travis Smith and Arron Manns
have proven they can produce when teams try to key in on Madison and
Isaac. The production from our role players (Matt Taylor, Brody
Freeman, Taylor Jones, and Luke Stewart) pushed us to the top in the
13th region. All our kids sacrificed for the betterment of the team. In the
end the difference in us winning was our ability to play solid defense.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: Toughest draw our team could have possibly had. Beating Breathitt 3times, Hazard 4-times, and Perry Central 2-times. First trip to the Sweet 16 in 17 years.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament: Taking care of the basketball, rebounding, and shooting a solid percentage.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament: Our 8 seniors have played in 3 state tournaments. This team has also won back-to-back All "A" State Championships. Hopefully, we can use that experience in order to advance through the tournament.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
We have to play tremendous pressure defense, rebound great and of
course hit shots. This team has played in a lot of big games throughout
their careers and we hope that experience will help us prepare for this
tournament.

Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
It feels great to get back to the state tournament. This was a goal that
our team set immediately following a very close district loss last season
to a talented Elliott County team. We have had tremendous senior
leadership to lead us to 22-1 record within a very competitive 16th
region.

What are keys (players/offensive/defensive) to your team's success in
winning the tournament:
We have relied heavily on our senior starters all year and will continue
to do so. They provide tremendous leadership. We have been very
successful this season when we have had 3 players score double
figures. We will need to be patient offensively and get the best shot,
take care of the ball, defend and rebound with passion.
