Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
I'm very proud of our players for repeating as region champs. They have had to deal with the pressure and expectations all season long of getting back to Rupp and have handled it great. We look forward to competing and representing the 12th Region to the best of our ability.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
Our defense is the key to our success. When we are playing our best we keep our opponents to a low FG% and this allows us to get into transition more on offense. Offensively we are led by Jarrod Polson, one of the premier players in the state. Everyone else feeds off him and he is capable of beating the defense with a jump shot, drive, or a pass.
