### Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
I am really proud of our senior class. This has been their goal for four years, and they finally accomplished their goal. This is also the first team in our school's history to win the regional tournament after finishing runner up in the district. Our kids are really excited about the chance to play in the state tournament.

### Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
The keys to winning would include effort, great defense and really good free throw shooting.
