Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

I am really proud of this basketball team. This is my fourth year here at Bell County and this group of kids and coaching staff have stuck with me through some hard times. They just kept working hard and believing. I give the kids all the credit for being tough and resilient. It's the first time in 31 years and the first time since Bell County consolidated that the Bobcats have made this trip. It is great for the community and for the school district. We are proud of the team and could not be more excited.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:

We will have to defend and rebound better than we have all season long. We will have to execute really well on offense. The kids will have to play their roles as players and play as a team better than we have this year. Hopefully we can shoot the ball well and make some plays to give ourselves a shot at winning.
