Coach's Comments

| What are keys (players/offensive/defensive) to your team's success in winning the tournament: |
|---|
| Offensively, we are a very unselfish team. No one cares who scores, and we don't care to make the extra pass. We are a very balanced squad. Defensively, my staff and I got together and looked at our personnel; we will do whatever is best for the personnel that we have in the game at the time. |
