Coach's Comments

| Your team's accomplishment of advancing to the State Tournament: |
|--|
| This years team was able to put aside all personal agendas for the betterment of the entire team. We play 10 guys so our individual stats don't stand out, but our overall play has improved tremendously. |

Coach's Comments

| What are keys (players/offensive/defensive) to your team's success in winning the tournament: |
|---|
| <p>In most games throughout the district and regional tournaments our constant full court pressure and depth has allowed us to wear down our opponents at the end of games. In almost every post-season game the game was decided in the last few minutes of the fourth quarter.</p> <p>Offensively we have 10 guys that can score on any given possession. The key is making sure we get a quality shot everytime down the court. We hope we can continue doing what we have done all year and that is to play with energy and passion for 32 minutes and enjoy playing as a team.</p> |
