Coach's Comments

Your team's accomplishment of advancing to the State Tournament:

We have a veteran line-up that played a very tough schedule to get us ready for this postseason. 8 of our players were on the team that made it to the State Quarterfinals two seasons ago, with 5 of them playing significant minutes. We hope we can use our previous experience at State to our benefit.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:

The two biggest keys to our success at State are the same as they have been all season. We must defend people well in the half-court. We have been able to pressure people while making it difficult for them to score. That must continue at State for us to be successful. Also we must win the rebounding battle. We have been an excellent rebounding team on both ends all season and we need to assert ourselves in that area if we are going to be successful at The Sweet Sixteen.
