Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
Dixie Heights last appearance in the state tournament was 1957 so it was a long drought for sure. We won 2 34th district games by a combined margin of 38 points. All 3 9th region games were nail-biters with close games against Highlands, Boone Co. in the semi's and a 4 O.T. thriller against Newport Central Catholic that some are calling the greatest game in 9th region history. Our team now has the best record in school history at 29-3 surpassing the 1957 team's record of 29-5.

Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
The keys to us winning the tournament are to value every possession and limit turnovers and we have to win the rebound war every game. We have had 4 starters score over 24 points at some time in their career so we hope to be able to settle in and score some points so defense and rebounding will be key to us being competitive from game to game. Against Lex. Cath we must handle their pressure and keep them off the glass.
