### **Coach Comments**

### 1. Please describe what advancing to the State Tournament means for your program, your school and your players.

The State Tournament is such a special event. We are going back for the second straight year, but it is definitely something we do not take for granted. Our team and community will relish every minute of the tournament.

### 2. What will your team have to do in order to have a chance of winning the State Tournament?

Defense has been our strength all season. We will continue to rely on that to carry us as far as we can go.
