Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

It is great accomplishment for our program. Our school and community are very supportive of our basketball program and the opportunity to play at the state tournament is a memory that all of our players will cherish. Advancing to the Sweet 16 is a goal that our seniors set after getting beat in the Elite 8 last year.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We have had our emphasis on defense all year and that will not change. We will have to play as hard defensively as we have all year and continue to take care of the basketball and take good shots.
