### Coach's Comments

Your team's accomplishment of advancing to the State Tournament:
After getting beat in the champion game of the 12th region last year our team set a goal of getting back to the championship game this time and win it. The team kept their focus all year and put pressure on themselves to work hard to obtain their goal.

### Coach's Comments

What are keys (players/offensive/defensive) to your team's success in winning the tournament:
On the defensive end we played a consistent hard nose 1/2 court m-m defense throughout the 12th region tourney. In the championship game we only gave up 21 points for the game. On the offensive end we have good balanced scoring with four players averaging at or more than 10pts per game, which anyone of the four could be our leading scorer on any given night. Key players: Kayla McFarland-Very quick with basketball in hand. Lauren Hatter: Very deceptive play, plus can shoot the three. Megan Pittman: True post player-One of the best freshman in the state. Nicole Coffman: Very athletic player. Can play two or three different positions on the offensive end and also can guard every position on the defensive end. Natalie Wesley: Very quick on the defensive end and can get hot from behind the arc.
