Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

We are from a small community and advancing to the State Tournament builds a lot of excitement for our players and our fan base.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We will have to value every possession and take care of the basketball. Utilizing our inside/outside game and controlling the tempo of the game will also be critical to our success.
