Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

Advancing to the State Tournament means more than you could describe for the Lady Pats program. We have come close so many times in the past few years and for these young ladies to accomplish this goal means so much, not only to them but to the school, community, and former players who never got that chance. Playing in the state tournament is a dream come true for this team and a memory that will last a lifetime!

2. What will your team have to do in order to have a chance of winning the State Tournament?

Our team needs to do what we have done all year. Take one game at a time! (One play, one pass, one assist, one rebound, one steal, one possession at a time.) We can not look to the past or to the future, but only be concerned with NOW.
