Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

It is once again an honor to represent the 13th Region in the Sweet 16. I am so happy for our seniors that they have been to the state tournament all four years of their high school career. These kids have a sense of pride and determination that keeps our program strong year after year.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We will have to play great defense, limit our turnovers, and play with great poise.
