Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

It provides our team with an opportunity to come back and play on the big stage with what has turned out to be one of our strongest teams ever.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We have to sustain our intensity for full games. Any lapse at this level makes for an early exit.
