Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

Our girls' basketball program at Ashland Blazer has had a rich tradition since 1921. Overall our program has won 5 state championships, 10 region championships and 21 district championships, with an overall won-loss record of 1037–377. We have not won the 16th Region since 1997. This championship is our 10th region championship, which is more than anyone else in our region.

For our seniors, this is our third region championship game they have played in over five years. We are very happy for Julia and Mykal. Our team, and especially our seniors, have worked extremely hard to get to this point.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We will need to rely on what we have depended on all year...our solid defense, our teamwork and our depth in order to win a state championship.
