Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

This team's goal has been to make it to the state tournament, so it means a lot. This is our program's first trip in only our third year in existence so we hope we've built a foundation for the future and starting a tradition here at MCHS

2. What will your team have to do in order to have a chance of winning the State Tournament?

We will have to do the fundamental things: play good defense, get our share of the rebounds, and shoot the ball well.
