Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

It is a great honor for our kids to make it back for third straight season and hope that we represent the 5th Region well. Our players and community are excited for this opportunity.

2. What will your team have to do in order to have a chance of winning the State Tournament?

You have to have a little luck. But we just need to continue playing defense and rebound the ball and get some points in transition.
