Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

Excited to be back for our third consecutive year and also in a year where we have been inconsistent. Also excited to be back in a year where we were not expected to be here.

2. What will your team have to do in order to have a chance of winning the State Tournament?

We will have to rebound, take care of the ball and defend.
