Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

Getting back down to Diddle Arena for the state tournament is the primary goal that we set for ourselves. Having another opportunity to play for a state championship is very important to us as we came so close to winning it last season. Hopefully we can have some luck and play well this week.

2. What will your team have to do in order to have a chance of winning the State Tournament?

Play our game, stay positive and have a few breaks – no one ever wins a state tournament without having a few breaks along the way.
