Coach Comments

1. Please describe what advancing to the State Tournament means for your program, your school and your players.

Advancing to the state tournament is a tremendous accomplishment for our players, our program and our school. We have been fortunate in having reached this goal last year as well. However, the girls’ program had never even won a district title before 2010. As an “A” school, the chance to win a regional title comes along rarely. We have now done it the last two years!

2. What will your team have to do in order to have a chance of winning the State Tournament?

In order for us to win the state tournament, we will have to be mentally and physically prepared. Our first matchup is vs Marion County, which will be a
tremendous challenge. They have three Division I players, and achieved great success for an extended period. In order for W-V to win the whole thing, we would have to have a little luck...a few good bounces...stay out of foul trouble...stay healthy. If we could do that, and win, we will be shoo-ins for mayor of Walton and Verona!
