The school may purchase an additional block of advance tickets by calling Matt Morrison at the Western Kentucky Box Office (270) 745-6074. Any checks for these additional tickets shall be made payable to the KHSAA.

You will also be asked when you settle your first round tickets, to limit the number of tickets individual purchasers may buy. If you do not prescribe a limit, the limit shall be four (4). This prevents unauthorized ticket brokers from monopolizing the purchase of lower arena seats and forcing your fans into less desirable seating.

10. Please tell your fans if they desire to purchase seats in advance (credit card order, etc.), they can call the Diddle Box Office, (270) 745-5222.
11. Cheering section tickets are priced at 9 (lower arena cheering section and upper arena) if purchased through the school from the initial allotment or if purchased at the pep sales booths after each game. All other tickets will be priced higher for the lower arena cheering section and upper arena. Non-cheering section tickets are priced at a higher price and must be paid in advance.
12. You may purchase additional seats in the upper arena for the 9 price by adhering to the procedure in Sections 8 and 9, but this can only be done until 24 hours prior to the start of the session involving your first game. By continuing to come and get tickets, you are saving each of your ticket patrons per ticket. Arena representatives can advise you of the availability of any lower arena seating near your original school allotment.
13. For first round sales, new for 2013, the KHSAA will rebate each school twenty-five cents (25) per ticket sold in advance. This reimbursement will come following the tournament through the expense settlement.
14. For the second, third and fourth rounds, ticket booths will be set up at the arena for advance sales to your next game. It is recommended that you allow the entire block of tickets for your team’s games in subsequent rounds to be sold on site, from these booths.
15. For each game you win, you have the option of purchasing two additional blocks of seats to take back to school. First, you may purchase the band block as a group (but limited to the number of instruments in the group for round 1 plus the director(s)), and those will be located in the same lower rows as in your initial round. You may also purchase a maximum of 140 additional tickets for use in distribution to the parents, faculty and administration. The Arena staff must sell the balance of the designated cheering section. If you choose to take either of these ticket blocks, no refunds will be issued and they must be pre-paid. Make sure your official school representatives are prepared to make this payment. Tickets are priced at 9 (lower arena cheering section and upper arena) if purchased through the temporary pep sales booths after each game. After that time, all other tickets will be priced higher for the lower arena cheering section and upper arena. Please advise your fans that by staying after the game and purchasing the subsequent round tickets, they will be saving from the walk-up price.
16. Any school checks for tickets to any second, third or fourth round shall be made payable to the KHSAA.
17. A representative of the school should notify the KHSAA ticket representative at the Arena ticket office as to the school’s procedure for selling second, third and fourth round tickets by completing this form. You will also be asked when you settle your first round tickets, to limit the number of tickets individual purchasers may buy. If you do not prescribe a limit, the limit shall be four (4). This prevents unauthorized ticket brokers from monopolizing the purchase of lower arena seats and forcing your fans into less desirable seating.

See the tournament information for important information about the band and band performances. If you do not need all of these rows for your band, they must sit in the forward most seats in the section, and the balance of the tickets behind them can be sold to your fans. You may also purchase the immediately adjacent rows to the rear if you need additional band seating. The front row has more room to allow for percussion and larger instruments.
5. The money for the tickets sold and any unsold tickets must be turned in to Hugh McReynolds or Matt Morrison at the main Arena ticket office by 10 a.m. if you are playing in session 1 or 3, and prior to 4:30 p.m. if you play in session 2 or 4.
6. School checks for the settlement of the original allotment of first round ticket sales must be made payable to the KHSAA. No checks from other individuals will be accepted.
7. Tickets are available only at the arena box office, Ticketmaster outlets and www.ticketmaster.com (boys tournament only) and at each of the participating schools.
8. If you should sell your original allotment and need additional tickets you must purchase them from the arena. No additional tickets will be mailed or shipped and no tickets will be released on consignment. You may not purchase additional tickets unless the entire original allotment is sold or accounted for prior to the issuance of additional seats. This includes the purchase of the higher priced seats adjacent to your block of seats initially issued.
9. The arena will hold a block of tickets for your school for a short time until you can send someone with a school check to complete the purchase. The school may purchase an additional block of advance tickets by calling Matt Morrison at the Western Kentucky Box Office (270) 745-6074. Any checks for these additional tickets shall be made payable to the KHSAA.
10. Please tell your fans if they desire to purchase seats in advance (credit card order, etc.), they can call the Diddle Box Office, (270) 745-5222.
11. Cheering section tickets are priced at $9 (lower arena cheering section and upper arena) if purchased through the school from the original allotment or if purchased at the pep sales booths after each game. All other tickets will be priced higher for the lower arena cheering section and upper arena. Non-cheering section tickets are priced at a higher price and must be paid in advance.
12. You may purchase additional seats in the upper arena for the $9 price by adhering to the procedure in Sections 8 and 9, but this can only be done until 24 hours prior to the start of the session involving your first game. By continuing to come and get tickets, you are saving each of your ticket patrons per ticket. Arena representatives can advise you of the availability of any lower arena seats near your original school allotment.
13. For first round sales, new for 2013, the KHSAA will rebate each school twenty-five cents (.25) per ticket sold in advance. This reimbursement will come following the tournament through the expense settlement.
14. For the second, third and fourth rounds, tickets booths will be set up at the arena for advance sales to your next game. It is recommended that you allow the entire block of tickets for your team’s games in subsequent rounds to be sold on site, from the booths.
15. For each game you win, you have the option of purchasing two additional blocks of seats to take back to the school. First, you may purchase the band block as a group (but limited to the number of instruments in the gym for round 1 plus the director(s)), and those will be located in the same lower rows as in your initial round. You may also purchase a maximum of 140 additional tickets for use in distribution to the parents, faculty and administration. The Arena staff will sell the balance of the designated cheering section. If you choose to take either of these ticket blocks, no refunds will be issued and they must be pre-paid. Make sure your official school representatives are prepared to make this payment. Tickets are priced at $9 (lower arena cheering section and upper arena) if purchased through the temporary pep sales booths after each game. After that time, all other tickets will be priced higher for the lower arena cheering section and upper arena. Please advise your fans that by staying after the game and purchasing the subsequent round tickets, they will be saving from the walk-up price.
16. Any school checks for tickets to any second, third or fourth round shall be made payable to the KHSAA.
17. A representative of the school should notify the KHSAA ticket representative at the Arena ticket office as to the school’s procedure for selling second, third and fourth round tickets by completing this form. You will also be asked when you settle your first round tickets, to limit the number of tickets individual purchasers may buy. If you do not prescribe a limit, the limit shall be four (4). This prevents unauthorized ticket brokers from monopolizing the purchase of lower arena seats and forcing your fans into less desirable seating.
